Interested in winter biking and ready to go for a ride? Meet us at Alewife Station to go for a relaxed bike celebration. We will be playing music along the way, and stopping at local bakeries for free pastry bites.

BlueBikes is providing free bikes for this ride! This is the perfect opportunity to join us for a ride if you don't have your own bicycle.

Interested in winter biking but not ready to hit the streets? Meet us at Lamplighter Brewery after the ride to talk all things winter riding!
