

# City of Cambridge Net Zero Transportation Plan Advisory Group

## Meeting #3

Wednesday, April 26, 2023 | 9-11am

Meeting venue: City Hall Annex, 334 Broadway, Cambridge MA 02139 (4<sup>th</sup> floor conference room) and via Zoom webinar

### Meeting objectives

- Continue getting to know each other and learning how to work together
- Improve our understanding about how transportation is working for people in Cambridge and what matters to them
- Begin to discuss what we need to prioritize in developing our plan
- Check in on information Advisory Group members are interested in

### Annotated Agenda

#### **08:45 Advisory Group members arrive**

- Breakfast provided

#### **09:00 Welcome and checking in**

- Check-in question
- Review agenda
- Edit/approve summary of Meeting 2
- Confirm Charter revisions

#### **09:20 Overview of proposed plan for the rest of this process**

- *Does this approach make sense? Are any key steps missing to get us to a plan?*

#### **09:40 What have we heard about what matters to people about transportation in Cambridge?**

- ⊘ Highlights from input gathered from other engagement processes
  - ⊘ *Does this input resonate? What is missing? What else have you heard is important that we need to be thinking about?*
  - ⊘ *How do these insights guide us in what we need to prioritize for the Plan?*
  - ⊘ *What strategies would promote equity, address problems people are identifying, and shift us to more sustainability?*

#### **10:35 Information, resources, and conversations requested**

- Questions or comments about resources shared
  - Net Zero Action Plan for building emissions
  - MassDOT Vehicle Miles Traveled tool
  - Cambridge Green Fleet Policy

€ *What other ideas or requests do you have?*

€ Future conversation topics

**10:45 Public comment**

**10:50 Wrap up**

- Next steps
- Check out question

**11:00 Adjourn**

**Future conversation topics:**

- What kinds of approaches can we use to reduce emissions from transportation?
- How can we assess whether the NZTP process makes planning more equitable?
- How should we engage community members as part of this process? How should we invite their input? What is our strategy?
- How can communities beyond Cambridge learn from the NZTP process?
