

WATERTOWN-CAMBRIDGE
Construction of the Greenway Multi-Use Path (Phase II)
Notice of Brush Removal Activity

MassDOT via its contractor Onyx Corporation will begin clearing brush during the week of July 30th

This notice is a follow up to letters sent to abutters from, The Department of Conservation and Recreation (DCR) via certified mail on May 23, 2018 and June 13, 2018.

Typical hours of work will be Monday thru Friday, 7am to 3:30 pm

Work will begin at Arlington Street in Watertown and will continue along to the entrance of the Sullivan Water Treatment Plant on Fresh Pond Parkway in Cambridge

The map below depicts, in orange, the approximate work area

Please contact MassDOT Government and Public Affairs Liaison Donny Dailey Donny.Dailey2@dot.state.ma.us with any questions
