SUPPORTING STATEMENT FOR A VARIANCE

EACH OF THE FOLLOWING REQUIREMENTS FOR A VARIANCE MUST BE ESTABLISHED AND SET FORTH IN COMPLETE DETAIL BY THE APPLICANT IN ACCORDANCE WITH MGL 40A, SECTION 10:

- A)** A Literal enforcement of the provisions of this Ordinance would involve a substantial hardship, financial or otherwise, to the petitioner or appellant for the following reasons:

The premises contains a pre-existing non conforming structure that is located in the Residence B District which restricts commercial uses. As a commercial structure, the Premises would not be easily converted to a conforming residential use. Premises have been used and occupied as a retail commercial establishment historically and a similar use is proposed.

- B)** The hardship is owing to the following circumstances relating to the soil conditions, shape or topography of such land or structures and especially affecting such land or structures but not affecting generally the zoning district in which it is located for the following reasons:

The shape and size of the lot would be non conforming under the current dimensional regulations for the Residence B District and the conversion to even a conforming use would likely require a variance.

- C) DESIRABLE RELIEF MAY BE GRANTED WITHOUT EITHER:**

- 1)** Substantial detriment to the public good for the following reasons:

The Premises have been utilized as a commercial retail establishment for numerous years, which has sold food products and groceries, and more recently as a cafe/ fast food establishment. The intent is to continue with the commercial uses, which will continue to service the immediate area and offer a restaurant concept.

- 2)** Relief may be granted without nullifying or substantially derogating from the intent or purpose of this Ordinance for the following reasons:

The Premises have been utilized as a commercial retail establishment for numerous years, which has sold food products and groceries, and more recently as a cafe/ fast food establishment. The intent is to continue with the commercial uses, which will continue to service the immediate area and offer a restaurant concept.

- * If You have any questions as to whether you can establish all of the applicable legal requirements, you should consult with your own attorney.**
