Cambridge Snow Plow and Snow Blower Usage

- Snow Plow usage may take place at any time on commercial or residential property regardless of whether a snow emergency has been declared.
- Snow Blower usage may take place at any time on commercial property regardless of whether a snow emergency has been declared.
- Snow Blower usage on residential property is considered a “Domestic Power Tool” and may not be used before 7:00 a.m. or after 10:00 p.m. unless a snow emergency has been declared which would allow usage at any time.
