- 6:50 3. Approval of minutes – March 10, 2016
- 6:55 4. ETP Director's Report
- Recent initiatives and activities
 - Status of CPAC recommendations
- 7:10 5. De-carbonization/Electrification Workgroup Status Report
- Objective:* A workgroup of committee members and staff started a discussion on the obstacles to and opportunities for electrification of Cambridge's building stock. Electrification is one of the main pillars of the Commonwealth's climate change mitigation strategy along with reducing energy use and de-carbonizing the electricity supply. The work group will report out on the discussion about barriers and plans to discuss opportunities at a follow up meeting.
- 7:20 6. Climate Protection Key Performance Indicators
- Objective:* The City adopted Climate Protection Goals and Objectives, however metrics have not be established in many cases. A review and discussion will be led by Bronwyn Cooke, Sustainability Planner, & Vice Chair Johanna Jobin.
- 7:50 7. Member Reports
- Objective:* Opportunity for members to update each other on climate relevant activities and identify synergies and opportunities for collaboration.
- 8:00 8. Adjournment
