

Temporary Off-Leash Area Will Close Due to Construction December 2019

About the Project:

The Timothy J. Toomey, Jr. Park (formerly Rogers St. Park) will begin construction in early December 2019. During this time, the off-leash area will be closed for construction along with the rest of the field area.

A new, permanent dog run will be constructed as part of the new park design. The dog run will include surface and drainage improvements, a dog-friendly water fountain, seating, plantings, and a second entryway.

The overall park will also include children's play areas, picnic tables and benches, a sports field/event lawn, a park maintenance facility, and tree and landscape plantings.

Construction is expected to be completed by Summer 2021.

Where can I take my dog during the construction?

Dogs are allowed to be in most park and open space areas as long as they are kept on leash, except in areas where they are specifically prohibited (as indicated by on-site signage).

Dogs are allowed off-leash in the following areas:

1. Gold Star Mothers Park (Gore Street Park)

Morning shared use hours, 6:00 AM to 9:00 AM.
Please note: this site is not fully fenced.

2. Greene-Rose Heritage Park

Morning shared use hours, 6:00 AM to 9:00 AM.
Please note: this site is not fully fenced.

3. Dog Run at Pacific Street Park

Fenced dog run area, regular park hours.
The dog run area is fully fenced. Outside of dog run area, dogs must remain on leash.

4. Fort Washington Park

Shared use location, regular park hours.
Please note: this site is not fully fenced.
