WORKING GROUP MEETING #5: THURSDAY, AUGUST 6, 2020, 5:30 - 7:30 PM

The Grand Junction Multi-Use Path is proposed to be a multi-use path running alongside the existing tracks in the Grand Junction corridor from the Boston University Bridge to Somerville.

After a few months pause due to COVID 19, the City will reconvene with the Working Group in a virtual format. Visit www.cambridgema.gov/grandjunction for updates. All Working Group meetings are open to the public.

At this meeting, City and design team staff will provide an update on the project status and share the concept design developed based on feedback from previous meetings. The meeting will begin promptly at 5:30 PM and end no later than 7:30 PM.
