

Please join the City of Cambridge Community Development Department for a
Public Meeting
to discuss the construction of a bus shelter and associated parking changes on
Green Street, between Pearl and Brookline

Thursday, June 30, 2016 from 6:00 to 7:00 PM
Central Square Library, Lewis Room
45 Pearl Street, Cambridge, MA 02139

The corner of Green Street and Pearl Street is often crowded with people waiting for the bus. The City is building a curb extension to widen the sidewalk near the intersection so that patrons have space to safely wait for the bus and so that a bus shelter and a bench can be installed. Curb extensions also make pedestrians crossing the street more visible to drivers.

To minimize the impact on parking to 1-2 spaces, the City **proposes switching the parking from the south side of the street to the north side of the street**. We would like to hear your thoughts.

Example of a curb extension with a bus shelter on Cambridge Street.

For questions and comments, please contact Tegin Bennett of the Cambridge Community Development Department by email: tbennett@cambridgema.gov or by phone: 617/349-4615, TTY 617/349-4621.
