*General Limitations for All Signs Permitted in the City of Cambridge*

- A. Signs shall be stationary and may not contain any visible moving or moveable parts.
- B. All lighting shall be indirect, continuous, and installed in a manner that will prevent direct light from shining onto any street or adjacent property. Flashing or intermittent light creating flashing, moving, changing or animated graphics is prohibited, except that a warning sign, a device intended to tell the time and temperature, or official traffic and directional signs may have intermittent illumination.
- C. No illumination shall be permitted after 11 P.M. in any Residence A, B, C, or C-1 district.
- D. No sign, portion of a sign, or structural support for such sign may extend above the lowest point of the roof of a building, except that for one-story buildings having a continuous parapet above the lowest point of the roof, signs may be placed below the highest point of such parapet rather than below the lowest point of the roof.
- E. Except as may be provided elsewhere in this ordinance for temporary signs, all signs shall be permanently mounted on a building or structure or permanently implanted in the ground. All graphic images on a sign shall be of durable material.
