

Let's talk:

Mt. Auburn St. Bus Priority Pilot

Improve overall traffic flow
on Mt. Auburn St.

More predictable bus travel

Reduce bus travel times

Enhance safety for people cycling
and walking on the corridor

What's happening:

Join staff from Cambridge and Watertown as they explain the Mt. Auburn St. Bus Priority Pilot, which will **test certain elements of Bus Rapid Transit (BRT) on MBTA bus routes 71 and 73**. Questions and feedback from the community are welcomed.

We're testing:

Painted
bus-only
lanes

Transit
signal
priority
for buses

When

Tuesday, May 1st
6:00PM – 7:30PM

Where

Tufts Health Plan Morton A. Madoff Center
705 Mt Auburn St. Watertown

Part of a larger effort funded by the Barr Foundation to demonstrate how features of bus rapid transit can improve mobility in the Boston region.
