

River Street Reconstruction

River Street Reconstruction Public Site Walk #1 - Mobility and Safety Tuesday, May 14, 2019 — 6:00 PM - 8:00 PM

The River Street Reconstruction Project will upgrade the subsurface infrastructure while developing a new surface design for River Street, the bus terminal area at River and Magazine Streets near Central Square, and Carl Barron Plaza.

Join the project team for an informative tour of transportation and mobility conditions along River Street on Tuesday, May 14. The project team will be leading the tour of key locations along the corridor and will take your input on safety and mobility challenges and opportunities as they relate to people of all abilities who walk, bike, take transit, and drive. Further details are provided on the reverse side.
