

Inman Square Intersection Improvements

Community Meeting: Wednesday, March 7th

The City is developing plans to improve the intersection of Hampshire Street and Cambridge Street in Inman Square. **There are several upcoming opportunities to learn more about the project and provide input.**

Community Meeting - New Plaza Designs

Wednesday, March 7th

Cambridge Rindge and Latin School Auditorium

459 Broadway

6:30-8:30 pm

This meeting will focus on presentation and discussion of three *alternative concepts for the reconfigured Vellucci Plaza*. We encourage community members to attend *to learn more and provide feedback* about the design for this important public space.

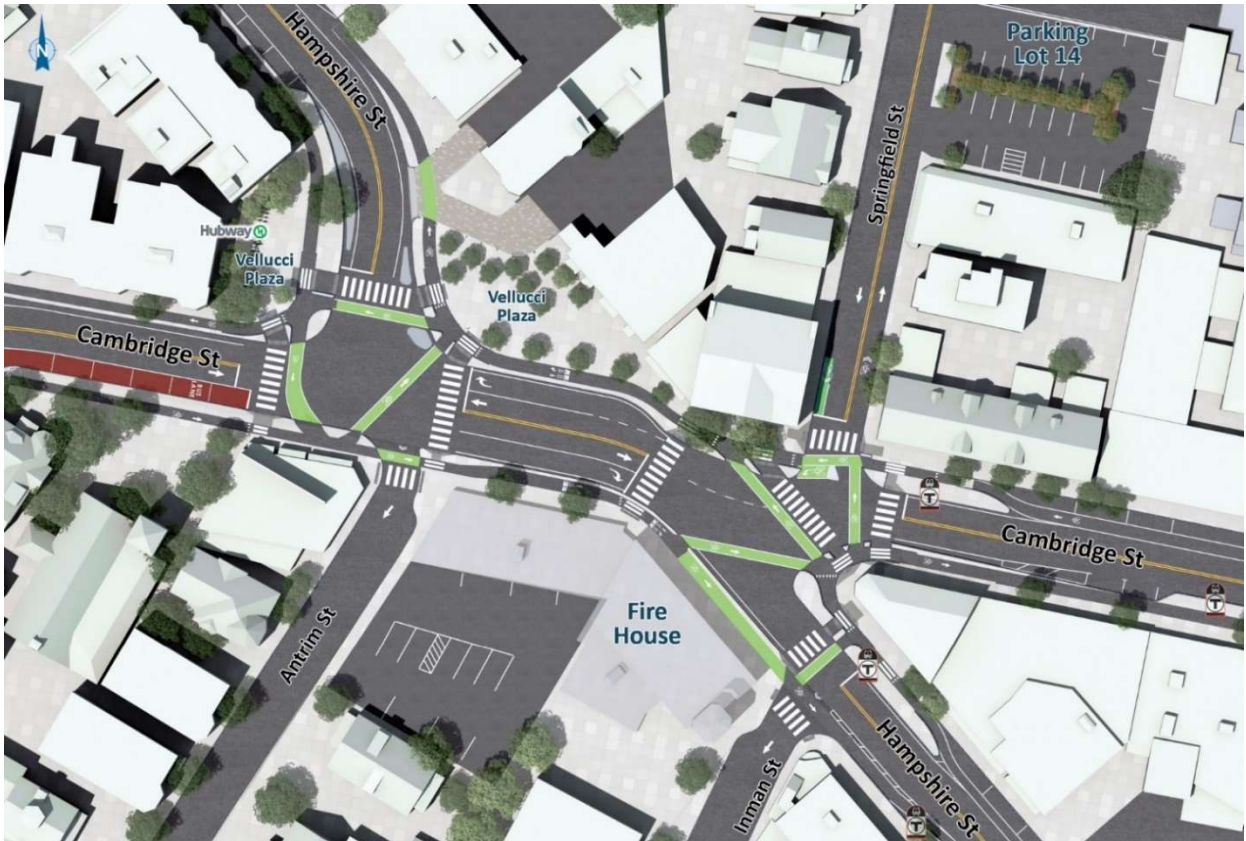

Specific items to be discussed include:

- Trees
- Seating and Other Furniture
- Public Art
- Planting Beds
- Lighting
- Paving Types and Patterns

For more information on this project, please visit www.cambridgema.gov/theworks/inmansquare. To be added to the project email list, please contact KyAnn Anderson, Community Relations Manager, at community.cambridge@kleinfelder.com.

See other side for more information

Current Concept as Presented on January 30th. Note: The design of Vellucci Plaza is shown as a “place-holder” only. Actual design to be discussed at Community Meeting #5 on March 7, 2018.

Open Houses / Review Previous Presentation

Thursday, March 1st
Department of Public Works
147 Hampshire Street
5:00-8:00 pm

Wednesday, March 7th
CRLS Auditorium
459 Broadway
4:30-6:00 pm

As a follow-up to the January 30th Community Meeting, join us at your convenience at one of these Open Houses to review various design options which have been considered for the Square over the past year and a half; the strengths and flaws which we discovered during our analyses of each one; and the reasoning behind the decision to move forward with the current option (shown above). City and consultant technical staff will be available for one-on-one discussions including a presentation of traffic simulation modeling and other detailed technical information.

Note that the presentation slides and a video recording of the January 30th meeting may be viewed on the project webpage www.cambridgema.gov/theworks/inmansquare.
