NOTICE OF WATER SERVICE DISRUPTION

Dear Resident and/or Business,

On Wednesday, December 19, 2012, D'Allessandro Corporation will be performing water main work at the intersection of Broadway and Columbia Street and at Broadway and Boardman Streets. This work is in connection with the Broadway Reconstruction Project. There will be a temporary water service interruption in order to facilitate upgrades and **you will have no water service** to your property between **8PM Wednesday, December 19th and 6AM Thursday, December 20th**. We will make every effort to expedite this work to minimize the length of time the water will be shut down. **Please take appropriate steps to store water for your anticipated needs during this time.**

Also note that after the water is restored, you may notice some discoloration to your water. We recommend you run your cold water until clear before consumption or doing laundry.

If you have any special water needs or concerns, please contact Bill Connell, Cambridge Water Department, at 617-875-7834 for assistance. If you have any questions about the construction work or need assistance during this service interruption, including if you have any special needs or disability that requires a special accommodation, please contact or Dan Vallee, City of Cambridge Project Manager, at 617-304-7756 or dvallee@cambridgema.gov. In case of emergency please call Cambridge Water Department 24 hour number, at 617-349-4770.

Thank you in advance for your patience and understanding during this construction.

Sincerely,

Chris Neil
Community Relations Manager
Cambridge Department of Public Works
