

City of Cambridge Net Zero Transportation Plan Advisory Group

Meeting #2 agenda

Wednesday, March 29, 2023 | 9-11am

Meeting venue: City Hall Annex, 334 Broadway, Cambridge MA 02139 (4th floor conference room) and via Zoom webinar

Meeting objectives

- Continue getting to know each other
- Agree on how we will work together in this process
- Learn from each other about:
 - How people in Cambridge move around, and
 - Where Cambridge's transportation greenhouse gas emissions come from

08:45 Advisory Group members arrive

- Breakfast provided

09:00 Welcome, agenda review, check-in question

- Members who were unable to join the first meeting introduce themselves

09:20 Revisit and revise draft charter

- Members review and provide feedback on edits made since last meeting (shared by email) and the remainder of the charter

09:45 Overview of transportation in Cambridge:

- How do people move around the city?
 - City shares information about transportation trends in Cambridge
 - Advisory Group shares comments about the transportation trends
 - i. What is surprising about this data? What else needs to be included?
- Where are current transportation emissions coming from?
 - City shares information about how it measures emissions from transportation
 - Advisory group discusses: What questions do you have? What else needs to be considered?

10:35 Looking ahead to next meeting; scheduling logistics

- Advisory group discusses agenda topics for next meeting
- Confirmation of standing meeting time

10:40 Public comment

10:50 Review next steps & check-out question

11:00 Adjourn

Ongoing topics we will revisit

- What kinds of approaches can be used to get emissions out of transportation?
- How will we know if this process was successful in making planning more equitable?
- How can what we learn here be shared beyond Cambridge?
