

PUBLIC MEETING #2

Public Feedback - Zoom Poll Question Summary

Question 1: Linear Park between Harvey Street and Mass Ave

- Now that you've seen the conceptual design elements, what do you think of expanding side paths to other areas of Linear Park where space permits?

Question 2: Linear Park south of the Harvey Street path crossing

- Now that you've seen the south of Harvey Street design options, which elements of the different designs do you think belong here?

Question 3: The Mass Ave/Cedar St and Cameron Ave gateways

- Now that you've seen the south of Harvey Street design options, which elements of the different designs do you think belong here?

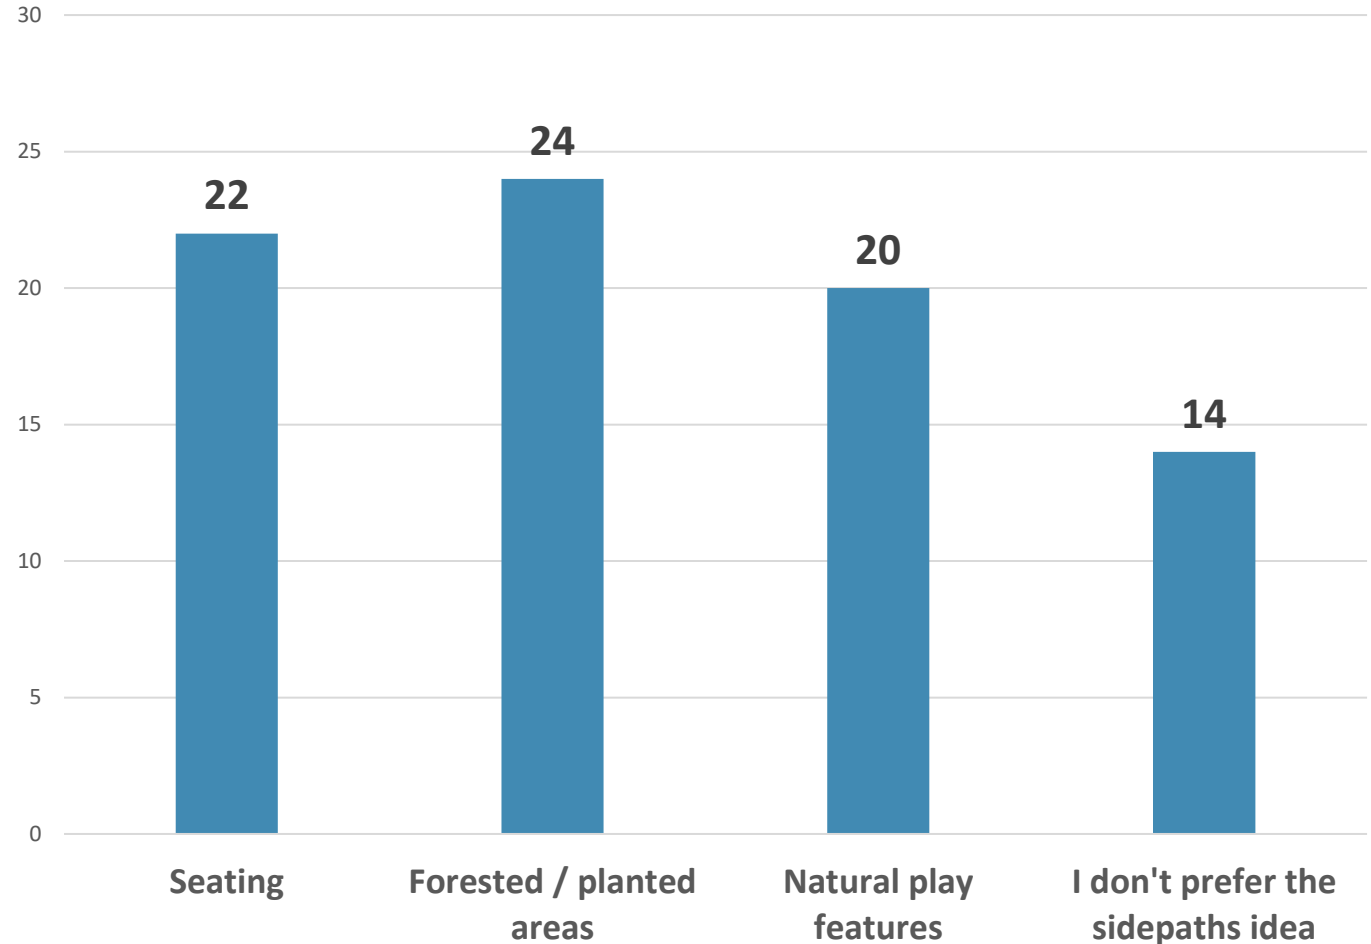

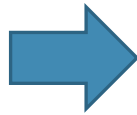

Question 1

Now that you've seen the conceptual design elements, what do you think of expanding side paths to other areas of Linear Park where space permits?

Options included:

- Additional side paths leading to **seating**
- Additional side paths leading to **forested / planted areas**
- Additional side paths leading to **natural play features**
- I don't prefer the sidepaths idea

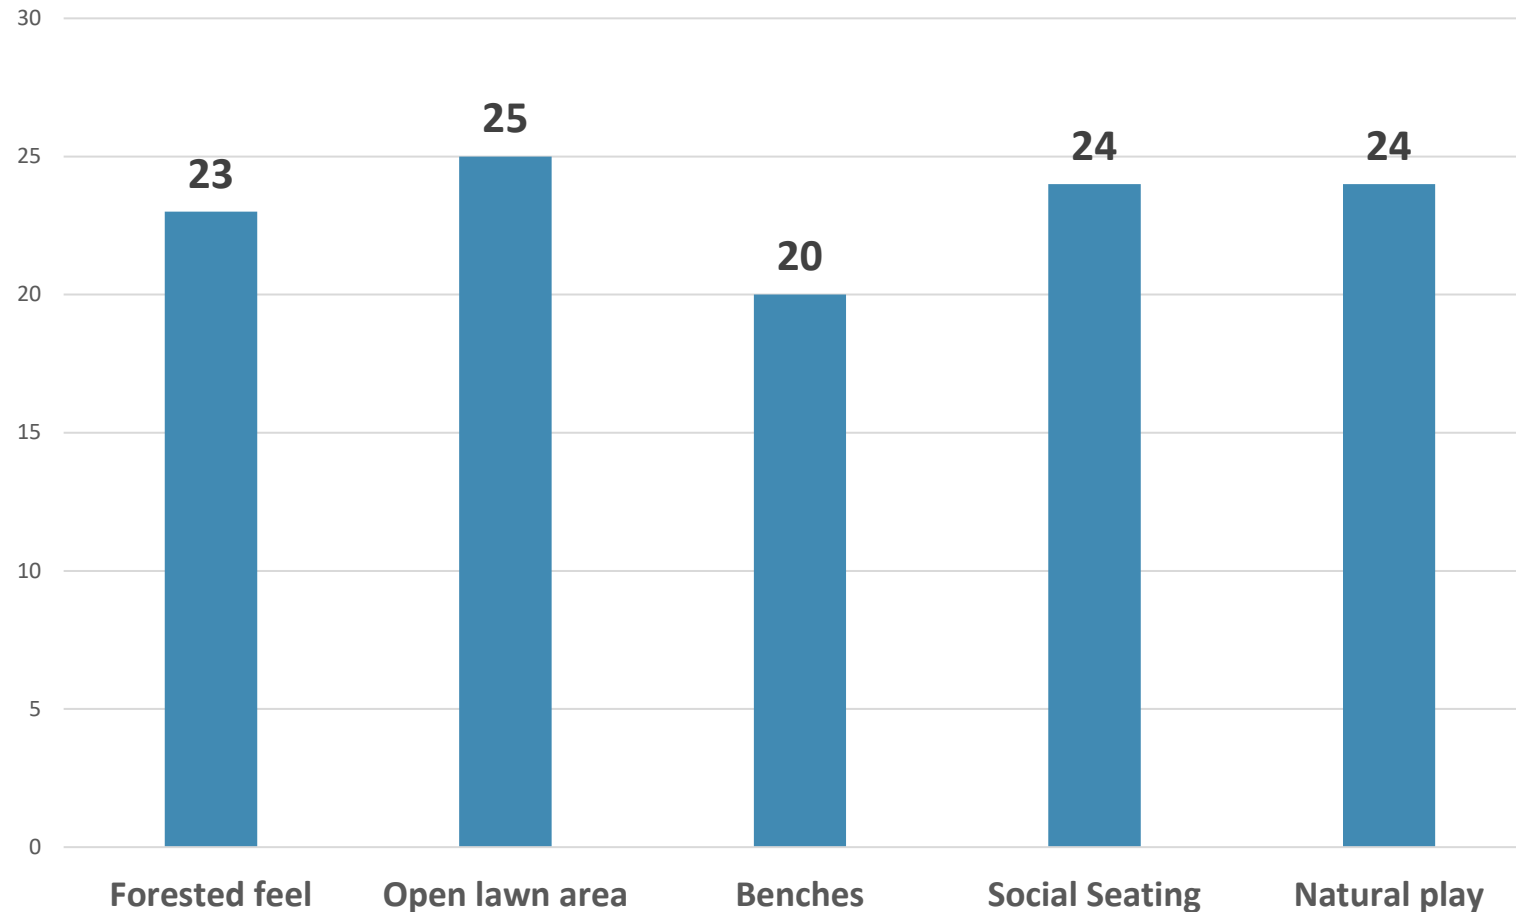

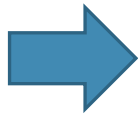

Question 2

Now that you've seen the south of Harvey Street design options, which elements of the different designs do you think belong here?

Options included:

- Significantly more trees for a **forested feel**
- Combination of **open lawn area** with more plants and trees
- Benches
- Social seating
- Natural play features

Question 3

Now that you've seen the conceptual design options, which of the design elements do you prefer?

Options included:

- **Replace** the brick and granite gateway columns
- **Retain** the brick and granite gateway columns
- Some other vertical / monumental element (not shown)
