

CITY OF CAMBRIDGE

Gray Street Reconstruction Project

On-Site Community Walk

Wednesday, May 8
From 5 - 7 p.m.

Gray St. from Martin St. to Linnaean St. is scheduled for reconstruction in 2024 as part of the City's Five-Year Plan for Sidewalk and Street Reconstruction.

The Department of Public Works and the City's Community Development Department will be hosting an on-site walk **Wednesday, May 8 from 5-7 p.m.** Anyone interested in attending can meet project staff at the **intersection of Martin St. and Gray St.**

To help you prepare for the meeting, we have posted a video presentation on the project page at www.cambridgema.gov/grayst . We encourage all residents and businesses to watch this video prior to the May 8 meeting.

We are in the design phase of the project and City staff would like to meet residents and walk the street to identify and discuss issues of concern. If you are unable to attend the site walk, please share your feedback by completing this brief survey: <https://www.surveymonkey.com/r/JLVWNJX>.
