**THE  
WORKS**

# The Port Infrastructure Improvements Project

# #4

of 6

## New Streets & Sidewalks

Improve  
safety and  
accessibility  
for people

## Green Infrastructure, Trees & Plantings

Options to de-pave  
or install pervious  
pavement on  
residential lots.

Plantings and trees  
will help absorb water.  
Greater tree canopy  
will help the streets  
feel cooler in summer.

## Public Art and Community Spaces

- FLOW program dedicates funds to art in The Port
- Enhanced public spaces for community gathering and enjoyment: improved play space for kids, etc.
