RE: File No. 11162 – Inman Square Firehouse Façade Repairs - Addendum No. 5

This addendum is comprised of the following:

- 1. Filed Sub Bid Tab Sheet (attached)**
- 2. Directive to General Bidders**
- 3. Clarifications**

Directive to General Bidders:

General bidders are to include the Roofing and Flashing subtrade work within the general bidder's scope of work.

Clarifications:

- On drawings AD100, A100, E201, and E501, the lines perpendicular to the existing overhead doors to remain represent the door tracks overhead. The lines do not represent new walls / partitions.**
- Gypsum Board Assemblies and Shaft Wall Assemblies are included in specifications for patching of existing walls if required to complete new work adjacent to an existing condition.**

All other details remain the same.
