The contract has recently been extended through April 2024 and the survey is now underway. **Only one firm bid on gravestone conservation due to onerous conditions required by public bidding laws, so the project has been divided and will be rebid.**

- Harvard University has requested an evaluation of the Louis and Elizabeth Agassiz marker on Quincy Street
- Maria Baldwin/Suffragist marker received from the Pomeroy Foundation, to be installed at Prospect Street residence this fall.
- Winthrop Park marker replacement. With financial support from the Mayor's Office, we have retained Indigenous historian Elizabeth Solomon to consult on this project.

7. City portrait collection. Most portraits removed during recent construction have been rehung.

8. Cambridge Women's History Project (Sarah Burks). Woman Suffrage research ongoing. Sarah continues to refine her Cambridge Women's Suffrage Timeline.

9. Cambridge Black History Project (aka Black Trailblazers, formerly African American Heritage Alliance; Leslie Brunetta, Melvin Downes, Chandra Harrington, Diahanne Lucas, Frank Lucas, Paula Paris, Kit Rawlins, Jim Spencer, Karen Ambush Thande)

- The committee invited Elizabeth Solomon to discuss early Indigenous history in Cambridge. Elizabeth, a member of the Massachusetts tribe, has been contracted by the Commission to write text for new Winthrop Square history markers that will include the histories of Indigenous and African American peoples pre- and post-English settlement.
- **Cambridge Black History Project: Reviewing candidates for the third set of Black Trailblazers bookmarks. Will participate in the Juneteenth celebration at the Longfellow house on June 18 and the 3rd Annual Quock Walker Day Community Celebration, organized by the Association of Black Citizens of Lexington, on July 8.**

10. Survey of Architectural History in Cambridge (Eric Hill). Misc. MHC Form B survey forms:

11. Historic American Landscape Survey (HALS). This year Allison Crosbie won second place in a national competition for her submission of the Gray Gardens subdivision designed by the Olmsted Brothers firm in 1924. Previous submissions include Lewisville in 2021, the former Harvard Botanic Garden at Linnaean and Garden streets in 2020 (first place), and Larchwood streetscape in 2019 (second place).

12. The 19th Amendment commemoration project. The winning project proposal was "The Future to be Rewritten" by Azra Aksamija: <https://www.cambridgema.gov/Departments/citymanagersoffice/100years/nineteenthamentcentennialcommittee/azraaksamija>, but the designer selection was cancelled due to concerns about minority representation. No developments.

13. Cambridge Advisory Committee on City Art, Memorials and Markers (CACCAMM) (CS and SB). This committee reviewed public monuments, memorials, and markers throughout Cambridge "to determine whether any of these commemorate those who were linked to the slave trade or engaged in other similarly shameful acts, (and) to determine which individuals - particularly women, people of color, and those from other historically marginalized communities - should be newly recognized." CHC staff created a web page for the committee, managed meetings, and conducted an inventory of existing memorials and markers. The Final Report of the committee

can be found on the CHC website. No developments.

14. Mayor's Summer Youth Program (KR).
15. CambridgeSide Open Space Advisory Committee meeting (AC). Allison Crosbie is representing the CHC on this committee, which was formed to advise the developers of the CambridgeSide mall on improvements to the Lechmere Canal Park. **Planning Board Review raised additional concerns, restarting design review; still not landmark eligible IMO.**
16. Harvard Square Advisory Committee (AC). Allison Crosbie continues as CHC representative on the Harvard Square Advisory Committee.
17. **Citizens Petition to Amend Ch. 2.78, Art. III. The Ordinance Committee held hearings on the proposed amendments on March 7 and April 26. I submitted a memo on the petition and another with proposed friendly amendments. The co-chairs of the committee, Councilors McGovern and Zondervan, brokered discussions between the parties on April 14th and May 31st. There are some areas of agreement on amendments, but others remain debatable. Another hearing has been scheduled for June 21.**
18. Winthrop Street Wall restoration. Secured an appropriation \$200,000 in FY22 CPA funds to support up to 50% of restoration cost (estimated at \$435,000), conditioned on a) a permanent, engineered restoration and b) donation of a preservation restriction allowing public access. Property owner Raj Dhanda's attorney, Charles LeRay, who stated at the November 3, 2022 Commission meeting that his client wished to resume negotiations, has not responded to outreach efforts. Mr. Dhanda acknowledged receiving the staff offer but did not wish to respond.
19. Inner Belt history. Volunteer Steve Kaiser has spent several years researching and writing about the history of the Inner Belt in Cambridge. The products of his work are featured on the CHC website.
20. Cambridge Indigenous History Project. Cambridge Indigenous History Project. Mayor Siddiqui has facilitated contacts with the local Indigenous community, but discussions about rewriting the history plaques at Winthrop Park were at a standstill all summer for lack of community engagement. Meanwhile a participatory Budgeting project allocated \$180,000 to commemorate Indigenous place names and other features of the landscape. We are developing relationships and forming a committee of Indigenous residents, historians, advocates, and language experts to steer the Participatory Budgeting project forward and to draft text for a new historic marker. We are meeting monthly and hope this group will become a long term advisory committee like the Cambridge Black History Project. Indigenous historian Elizabeth Solomon has joined the committee.
21. University Park history. In 2022 summer intern Henry Schmitt researched the history of the 1920s subdivision of University Park, a traditionally middle-class African American community in West Cambridge. We hope to create at least a blog post on this topic.
22. Outreach. Wrote article on Gray Gardens for Olmsted200.org, https://olmsted200.org/spotlight-on-gray-gardens/?mc_cid=f35ef4b784&mc_eid=fd45c2e339 (Allison)

XIV. Coming Events.

1. **2023 Archives Crawl. Week of June 5; look for our announcement.**

XV. Budgets, Personnel, and Facilities.

1. **Appointments: NCDC appointment recommendations will be submitted to the City Council on June 12.**
2. **The City Council approved the FY2024 Budget without discussion. Staff will receive a cost of living adjustment of 2.5%. All other budget categories are to be level-funded. The Manager did not include a supplemental budget request for a new position of Preservation Projects Administrator to implement the African American Trail marker renewals, the Indige-**

nous placenames project, the Winthrop Park marker renewal, and history station replacements, so a request will be made to the CPA Committee for this position.

3. **Archives Assistant:** More than 80 applications were received and reviewed by the archivists. Zoom interviews were conducted with five applicants; two were invited to visit; and, after much discussion, the position was offered to and accepted by Janin Escobedo-Garcia. Janin is in a dual master's program at Simmons University (Library and Information Science and History) and expects to graduate in May 2024. She is the reference and processing assistant at Harvard's Peabody Museum. Her first day at the commission will be June 12. The archives assistant works up to 19 hours a week and is funded solely by a grant from the Mass Cultural Council.
4. **Mass Cultural Council:** Submitted two required reports, the MCC CIP Portfolio Annual and the DataArts Funder reports. Completing the requirements puts us in the pool to be recommended for a FY24 Portfolio grant. Grant notifications will be sent through the grants management system in September, 2023
