I have lived at 249 Huron avenue, across the street from formaggio's, for 25+ years. The traffic and parking issues have increased substantially, and today, traffic on Huron avenue, particularly between 3-6 pm is unbearable, with lines of cars stretching from appleton street to concord avenue. Greatly expanding the school and recreational activities will have a negative impact on the surrounding neighborhood, which is already overrun with traffic, illegally parked cars and idling cars either waiting for passengers, checking emails and/ making calls. Please respect those who already live here and are not receiving sufficient city support services to keep this a neighborhood where residents walk or bike for transportation. Thank you for your consideration.
