---

**This addendum is comprised of:**

**Submitted Questions and Answers**

**SUBMITTED QUESTIONS AND ANSWERS:**

**Q1: Is there a contract term or a time frame on how long the pricing needs to be held for?**

**A1: The prices shall remain firm for the full duration of the contract – One year.**

**Q2: Hach already has contract for all of Hach’s portfolio with the City. Could you please clarify why an additional contract for a limited amount of part numbers is required.**

**A2: The City is projected to exceed the annual contract value of the current agreement. Further spending on materials of this kind necessitates bidding via Massachusetts Municipal Code Chapter 30B.**
