RECOGNITION**

**Section 1. Sole/Exclusive Bargaining Representative**

a) The employer recognizes the Union as the sole and exclusive bargaining representative for the purpose of collective bargaining on wages, hours and working conditions, and other conditions of employment for all regular part-time and full-time employees of the Department of Human Service Programs, including Head Teachers, Teachers, working 20 hours per week or more and excluding all others.

b) The Union does not currently and will not represent Assistant Teachers in the future. Should the City in the future hire persons for Teacher positions who are temporarily lacking in some qualifications, the City and the Union agree to meet to discuss wage issues.

c) When employees in a new classification or program, perform work that is comparable to that done by employees covered by this Agreement, such classification of work or program, shall be covered by this Agreement when mutually agreed.

**Section 2. Temporaries**

Temporary employees will not be covered by this Agreement except that if an employee works for more than 135 consecutive working days, such employee shall become a regular employee and receive all prospective benefits and security.

**ARTICLE 3  
UNION MEMBERSHIP**

Membership in the Union on a non-discriminatory basis will be uniformly available to any member of the certified bargaining unit who applies.

**ARTICLE 4  
CREDIT UNION CHECK-OFF**

The City agrees that it will deduct a certain specified amount each pay period from the wages of those employees covered by this Agreement, who give their written authorization to make such deductions. The amounts so deducted shall be remitted monthly to UAW Local 1596 Credit Union, designated by the Union.

**ARTICLE 5  
UNION STEWARDS AND MEETINGS**

**Section 1. Union Stewards**

The City agrees to recognize four (4) union steward(s) including one head steward, elected by the employees. Union Steward(s) will be available to meet with/or represent employees who are subject to possible discipline in meetings with the City.

Subject to staffing requirements and with prior notification and approval, up to two (2) Preschool stewards and up to two (2) Afterschool stewards will be allowed to attend Union meetings, up to a maximum of twelve (12) hours per steward, per year, during regular work hours at no loss of pay. In the absence of special circumstances, the City expects that this time will be taken in two to three hour increments and that at least two weeks' notice will be provided.

If and when Childcare Division union steward(s) are designated, the Union will inform, in writing, the Childcare Division head or Department of Human Services Division Personnel Department of changes and when changes occur. Notification will be accomplished within ten (10) working days of such changes.

**Section 2. Union Meetings**

Union meetings may be held on the premises with appropriate prior notice, in writing, to the Childcare Division Head. An area to conduct Union business will be designated.

**Section 3. Union Contract**

All new employees will receive a copy of the Union contract from the City during new employee orientation. All new employees will receive a copy of the Union contract and a list of stewards' names and contact information. The Union will be allowed to conduct a 15-minute presentation during new employee orientation. This time will be paid at the employee's regular rate of hourly pay by the City. The City will also provide the Union, on a quarterly basis, a list of the names and classifications of new employees. The City will send the list to:

An employee who is terminated during the probationary period, shall receive, in writing, the reasons(s) for termination, but shall not have recourse to the grievance and arbitration procedure regarding termination. During the probationary period, the employee shall receive any paid time off which is called for under the provisions of this agreement.

**ARTICLE 9**  
**SENIORITY**

Seniority is defined as the total amount of time employed in a bargaining unit position in the Childcare programs.

**ARTICLE 10**  
**LAY-OFF**

**Section 1. Definition**

Layoff is defined as an employment separation initiated by the City because of lack of work, shortage of funds, reduction or elimination of services, closing of sites, reduced enrollments or any other reasons except for voluntary separation or separation for cause.

**Section 2. Notification**

The City will notify the Union within 15 working days of a layoff so that the parties may meet to discuss the impact of such proposed layoff.

Employees will not be penalized for failing to respond, if the circumstances are beyond their control. In such cases, the employee's name will be retained on the recall list for the next available opening.

## **ARTICLE 12 GRIEVANCE PROCEDURE**

### **Section 1. Definition/Grievance**

A grievance shall be defined as any dispute, arising between the parties, pertaining to any matter of wages, hours, working conditions, or any dispute between the parties, involving the interpretation or application of this Agreement.

#### **STEP 1:**

Grievance shall first be taken up with the employee(s) involved and their union steward in a meeting with the employee(s) immediate supervisor. The Union and the employee(s) will be given a written response, within five (5) working days of the meeting.

#### **STEP 2:**

If the grievance is not resolved at Step 1 to the satisfaction of the Union, it shall be reduced to writing within four (4) working days, and submitted to the Department Head by the Steward or Union Representative. The City Manager or their designee shall respond in writing within ten (10) days of the receipt of said grievance.

**STEP 4:**

If the grievance is not settled at Step 3, it may be submitted to arbitration, as described in Article 13.

- b) in reasonable detail, the facts supporting each alleged violation;
- c) the date each act or omission violating the agreement is alleged to have occurred, and
- d) the remedy sought for each alleged contract violation.

Failure to provide sufficient information as required above shall constitute a forfeiture of the grievance.

**Section 3. Time Limits**

The failure of an employee or the union to file or process a grievance in accordance with the time limits specified in this Agreement shall constitute a waiver of the grievance unless mutually agreed in writing to extend the time limits.

**Section 4. Employee Introduction of a Grievance**

An employee may present a grievance, without the intercession of the Union, at Step 1 but the Union has the right to have one representative present at the meeting.

**Section 5. Precedent**

All grievances settled at Step 1 shall not constitute a precedent for future dealings between the parties. All grievances settled at Step 2 shall not ordinarily constitute a precedent, unless otherwise stated.

**Section 6. Matters Not Subject to Grievance/Arbitration**

The following matters shall not be subject to grievance/arbitration under this Agreement:

- (a) any matter involving the exercise or discretion of management rights by an agent of the City;

- (c) pay grades for newly created positions;
- (d) the dismissal or discipline of a probationary employee;
- (e) the substance of an evaluation;
- (f) layoff or reassignment for non-disciplinary reasons after alternative methods have been considered; and,
- (g) any incident which occurred or failed to occur prior to the effective date of the Agreement.

**ARTICLE 13  
ARBITRATION PROCEDURE**

**Section 1. Timely Submission**

Any grievance which has not been settled under Article 12 may be submitted by the City or the Union to arbitration in the manner set forth below within thirty (30) working days after the response of the City Manager or their designee is due.

**Section 2. Selection of Arbitrator**

The American Arbitration Association shall conduct the arbitration procedure. The expenses of the proceedings shall be borne equally by the City and the Union. If either party desires a verbatim record of the proceedings, the party requesting a record to be made shall pay for the record and makes copies available to the other party at cost and without charge to the arbitrator.

The arbitrator shall have no power to amend, modify, add to, alter or subtract from this Agreement or any provisions thereof.

Any decision which requires/directs the payment of monies for which there is no appropriation shall not be acted upon until the funds are appropriated by the City Council.

The decisions of the arbitrator shall not violate any City Charter provisions, Statutes of the Commonwealth, or regulations pursuant to such Statutes.

The arbitrator's award and decision shall be final and binding and may be reviewed under M.G.L.c. 150C, or on the grounds that the award: (1) is arbitrary or capricious, or (2) misinterprets or misapplies any provision or law. The dispute as stated in the request for arbitration shall constitute the sole and entire subject matter to be heard by the Arbitrator, unless the parties agree in writing to modify the scope of the hearing.

### **Section 3. Extension of Time Limits**

The parties may, by mutual agreement, extend the time in any particular case.

## **ARTICLE 14 MANAGEMENT RIGHTS**

The City has and will continue to retain, whether exercised or not, all the rights, powers and authority heretofore had by it except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement. It shall have the sole and unquestioned right, responsibility and prerogative of management of the affairs of the City and direction of the working forces, including but not limited to the following:

- A. To determine the care, maintenance and operation of equipment and property used for and on behalf of the purposes of the City.
- B. To establish or continue policies, practices and procedures for the conduct of the City business and from time to time, to change or abolish such policies, practices or procedures.
- C. To discontinue processes or operations or to discontinue their performance by employees.
- D. To select and determine the number and types of employees required to perform the City's operations.
- E. To employ, transfer, assign, promote, or demote employees, suspend, discharge, discipline, or to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interest of the City or Department.

F. To describe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the City, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.

G. To ensure that the related duties connected with departmental operations, consistent with the job description, shall be performed by employees.

H. To establish contracts or subcontracts for municipal operations. All work customarily performed by the employees of the Bargaining Unit shall be continued to be so performed unless, in the sole judgment of the City, it can be done more economically or expeditiously otherwise.

Unless an expressed, specific provision of this Agreement clearly provides otherwise, the City, acting through any appropriate officials as may be authorized to act on its behalf, retains all the rights and prerogatives it had prior to signing of this Agreement either by law, custom, practice, usage and precedent to manage and control the Department of Human Services.

The City agrees, without waiving its right to sub-contract, to allocate and utilize staff and equipment within the Department in the most feasible manner prior to supplementing or complementing its capability by the use of sub-contracts except during a recognized emergency. The City's aim is to develop and implement staff and equipment resource allocations systems which will assure maximum feasible delivery of service and utilization of regular city employees and equipment within the Department without waiving the rights and privileges set forth in the contract.

Any complaints relating to telework, including any alleged violations of the Telework Policy, will not be subject to the grievance or arbitration provisions of collective bargaining agreement.

## **ARTICLE 16 TRANSFER AND PROMOTIONS**

### **Section 1. Posting**

All vacancies in the Childcare programs which the City decides to fill, except those created by layoffs shall be posted for five (5) working days in a prominent place in the Central Office with written notification provided to all existing employees.

### **Section 2. Filling**

Vacancies in all positions covered by this Agreement, which the City decides to fill, shall be filled on the basis of posted qualifications, ability and performance as determined by Management. All present employees, including probationary employees, are eligible to apply for, be considered for and receive transfers and promotions. Applications from both in-house and outside candidates will be accepted at the same time. Applicants for such vacancies, including those who are not presently employed by the Department, shall be considered for the position. Any in-house candidate who, in the judgment of Management, meets the job qualifications will be considered for such open positions before outside applicants. The applicant who meets the posted qualifications, as determined by Management, and is best matched for the specific qualities needed for the vacant position shall be selected. When Management determines that posted qualifications, ability and performance are equal, the in-house candidate will be given the preference.

### **Section 3. Pay Considerations**

An employee promoted to a position in higher pay grade shall be placed in the step in the higher pay grade which shall result in the employee receiving no less than one full increment pay increase.

Effective for births, adoptions and/or foster placements that occur on or after July 1, 2017, the City of Cambridge Parental Leave Policy that applies to non-union employees, as adopted and as it may be modified by the City from time to time, will also apply to members of this bargaining unit budgeted to work twenty (20) hours or more per week. However, ten month employees will be eligible for a total of twenty (20) weeks of leave rather than twenty-four (24) weeks.

#### **Section 2. Military Leave**

Reinstatement After Military Service Permanent employees who leave the City's service to enter Military Service, or who are deployed to active duty, are reinstated to the same or comparable positions, if they receive honorable discharges and apply for employment within ninety (90) days from the time of separation.

Re-computation of Length of Service Benefits All length of service benefits including salary, sick leave, and vacation will be computed as if the employee had not left the City service.

Military Leave of Absence With Pay Every employee covered by this Agreement who is a member of a reserve component of the armed forces of the United States shall be granted in accordance with Section 59 of Chapter 33 of the General Laws, leave of absence with pay, during the time of their annual tour of duty; provided however, that such leave shall not exceed seventeen calendar (17) days.

#### **Section 3. Personal Leave**

Upon reasonable justification submitted in writing to the employee's Department Head, the City Manager or their designee may grant a full-time employee a personal leave of absence for periods of time not to exceed five (5) months for ten-month employees and six (6) months for twelve month employees. At the end of the leave of absence the employee may be reinstated to their or her former position or a similar position unless more senior employees in the department have been laid off.

Whether or not to grant such leave and/or lengths or conditions of leave shall remain the sole discretion of management and not be subject to the grievance and arbitration procedure.

Employees are responsible for payment of the full medical insurance premium during the leave of absence, except as may be provided by the Family and Medical Leave Act. Employees are encouraged to arrange for those payments with their personnel representatives well in advance of their leave of absence. Employees on an approved educational leave for purposes of completing a degree-required practicum may continue health insurance coverage by paying the employee share as provided in Article 36, for the duration of the practicum, provided they return to work upon completion of the practicum.

The period of leave of absence shall not accrue towards length of service benefits such as wage increments, vacation and sick leave.

### **ARTICLE 18 SUBSTITUTES**

The City will be responsible for the retaining and hiring of substitute teachers.

### **ARTICLE 19 TEMPORARY WORK**

When a Head Teacher has been granted a leave of absence in excess of three weeks, Management will select a staff person with the appropriate experience, training and skills to act as the temporary staff person in charge of the classroom. This person will receive the higher rate of pay and the increased hours effective on the first day of such assignment.

Consistent with the job description of Teacher, should a Head teacher be absent, the Teacher shall assume the duties of the Head Teacher to ensure a smooth classroom day. The Teacher will be granted the ability to earn increased hours of up to .75 hours per day for each day of the Head Teacher absence.

Should a Head teacher be out on an unplanned absence (subject to appropriate documentation) in excess of three weeks, Management will select a staff person with the appropriate experience, training and skills to act as the temporary staff person in charge of the classroom. This person will receive the higher rate of pay and the increased hours effective on the first day of the assignment. It is possible that a Head Teacher, Teacher, or Assistant Teacher from another program/site may be asked to assist a program in need of additional staff support in these instances.

### **ARTICLE 20 EVALUATIONS**

In the case of a new employee, evaluations shall occur at three (3) and six (6) months. Returning employees shall be evaluated annually. The written evaluation must be read and signed by the employee. An employee's signature does not indicate approval or acceptance merely that the employee has received and read the evaluation. Prior to signing, the employee

has the right to add any written comments regarding the evaluation. The evaluation will become part of the employee's personnel file. In the event that there is no current supervisor familiar with the work of that employee, no reference will be given other than the dates of employment, attendance record, salary and job title/position unless the employee requests, in writing, that the most recent evaluation form be used.

The parties agree to create a working group comprised of up to four (4) members designated by the City and up to four (4) members designated by the Union with the goal of developing processes and/or mechanisms by which staff members would have opportunities to provide feedback regarding operations at their sites.

## **ARTICLE 21 PERSONNEL FILES**

Employees shall have access to their personnel files with reasonable notice and under supervision of a Human Services department employee. Copies of such files may also be given to employees, upon their request. There will be no cost for copies up to 20 pages. An employee shall have the right to comment in writing, on the contents of their personnel file. The written comments will then become part of their personnel file.

## **ARTICLE 22 TRAINING**

The City agrees to allocate a maximum of \$3,500 per employee, for the cost of courses and seminars successfully completed which relate to the employment of the employee and for which the employee has received prior approval from the Department Head and City Hall Human Resources Department. The City will continue to make use of the Department of Early Education and Care, and other related training opportunities. The City and Union agree to meet periodically to discuss procedures for meeting Department of Education Early Childhood program standards and national accreditation standards for After School. Effective July 1, 2024, the maximum allowable annual course reimbursement will increase to \$4,000 per employee. Effective July 1, 2025, the maximum allowable annual course reimbursement will increase to \$4,500 per employee.

The City also agrees to reimburse each employee up to \$500 per year for books required for coursework pursuant to this Article 22.

## **ARTICLE 23 SUPPLIES**

The City will be responsible for ordering supplies, but the staff shall have input into which supplies are ordered.

**ARTICLE 24  
TRAVEL REIMBURSEMENT**

Employees will be compensated mileage for work-related travel in their own car outside of the City. The rate for mileage reimbursement will be based on the standard City rate for non-union employees. Employees who use public transportation, outside the City and who have prior approval, shall be reimbursed for their expense.

**ARTICLE 25  
JURY DUTY**

**Section 1. Pay/Lost Time**

In the event that any employee covered by this Agreement is called to perform jury services, the City will pay for working time lost. Payment will be the difference between jury pay and the applicable number of hours in the employee's standard work day, times the employee's base hourly rate, for each day of jury duty.

**Section 2. Early Release/Jury Duty**

As a condition to receive such payments, the employee involved must report to the City for such work as they may be assigned if they are discharged from jury service prior to 12 noon.

**Section 3. Weekly Court Reports**

In order to receive jury duty pay, employees shall be required to present weekly to the City a certificate by the court (or its duly authorized representative) verifying the jury pay received for such duty and if possible, the time spent in such service.

**ARTICLE 26  
BEREAVEMENT LEAVE**

**Section 1. LOA/ Pay-5 Day**

Employees will be granted a leave of absence with pay for not more than five (5) working days due to the death of a spouse, parent, child, domestic partner, brother, sister, son-in-law, daughter-in-law or parent-in-law.

**Section 2. LOA/Pay-3 Day**

Employees will receive pay for an absence not to exceed three (3) working days for the death of a grandparent or grandchild whether such relative was a member of the employee's household or not. Pay for an absence not to exceed three (3) working days will also be allowed on account of the death of any other relative who was a permanent member of the employee's household or of any other person with whom said employee made their home.

**Section 3. LOA/Pay-1 Day**

Employees also will be paid full salary for an absence not to exceed one (1) day to attend the funeral of a first cousin, brother-in-law, sister-in-law, aunt, uncle, nephew or niece, spouse's grandparent, or the spouse's brother-in-law or sister-in-law.

**ARTICLE 27  
SNOW DAYS**

Child Care programs will remain open on days when Cambridge Public Schools declare snow days. Management, in consultation with staff teams will consider reducing the number of program sites and/or the number of on-site staff, based upon the anticipated number of children reporting and such other factors as the City determines relevant.

During a day in which City offices remain open, but a program is closed (not delayed) due to inclement weather an employee can use benefit time, report to work at 51 Inman Street, or work from home performing work from their pre-approved remote work plan. These plans shall be submitted and subject to approval annually in October. Examples of work in a pre-approved plan may include: online trainings, child assessments, or field trip research/planning.

In sites where there are two Afterschool classrooms and in full day Preschools, a reduced staffing plan will be considered for snow days. Staff teams are responsible for developing and submitting a proposed snow day staffing plan by October 15<sup>th</sup> of each school year. The proposed plan requires review and approval by the Afterschool or Preschool Manager. The staffing plan will consider past attendance history during inclement weather and must have at least two staff (one Head Teacher and one Teacher) working at the site at all times. Plans may reflect the rotation of staff assignments for up to five snow days per year. All staff not assigned to work will be on call until noon. Staff members who do not work will need to take personal benefit time in order to be paid.

At the Fletcher/Maynard Afterschool and Haggerty Preschool programs, all staff must report to work on snow days because of lack of partner site or additional staff availability.

The City and the Union agree to have ongoing discussions about the snow day policies in the Department.

**ARTICLE 28  
HOLIDAYS**

Washington's Birthday	Thanksgiving Day

Child Care programs will be closed in December for a paid holiday break and employees will not report to work. The City will determine the closing dates based on the City/School closure schedule. In exchange for this paid holiday break, employees' vacation time will be reduced by three (3) days each January following the December break to offset this closure time. (For example, vacation leave balances will be reduced by 3 days in January 2024 to offset the closure time for the December 2023 holiday break.) New hires who have yet to accrue vacation leave in January will have their initial leave balance reduced 133 calendar days after employment.

## **ARTICLE 29 SICK LEAVE**

### **Section 1. Accrual/Allowances**

During the life of this contract, current employees will receive a yearly allotment of 13 sick days on January 1.

New employees may borrow up to three (3) days of sick time during their first 133 days of employment. After 133 days, employees will receive one-half (1/2) of the annual allotment (less any borrowed sick time) pursuant to the following chart. Employees then accrue up to the maximum allotment until the January after their 133<sup>rd</sup> day. Each January thereafter, employees receive their annualized allotment of sick time.

Hours Worked per Week	Hours of Sick Time Accrued per Year	
	<u>12-Month Employees</u>	<u>10-Month Employees</u>
20	52.00	43.33 (4.33 hrs/month)
27.5	71.50	59.58 (5.96 hrs/month)
30	78.00	65.00 (6.50 hrs/month)
31.25	81.25	67.71 (6.77 hrs/month)
33.75	87.75	73.13 (7.31 hrs/month)

37.50	97.50	81.25 (8.13 hrs/month)
40	104.00	86.67 (8.67 hrs/month)

In no case will any employee be permitted to accrue more than 13 days of sick leave in a calendar year.

Sick time will not be accrued during intervals of no-pay status (including unpaid leave or workers' compensation leave).

Employees with no sick leave use, workers compensation absence, or other unpaid absences from January 1<sup>st</sup> through June 30<sup>th</sup> and from July 1<sup>st</sup> (August 1<sup>st</sup> or September 1<sup>st</sup> for ten month employees) to December 31<sup>st</sup>, shall be eligible for a \$300 payment in July/ January for no such absences in the prior six months. Effective July 1, 2021, the six-month period for the \$300 payment will be changed to a rolling six-month period for 12-month employees and a rolling five month period for 10-month employees to match the period for earning an administrative day.

All benefits will be prorated for part-time and ten month employees, based on budgeted number of hours per week.

Upon the death or retirement of any employee, payment shall be made for any unused sick leave directly to the employee or the employee's estate, as applicable, according to the following schedule:

Days 1-100	\$25 per day (prorated for part-time)
Days 101-200	\$50 per day (prorated for part-time)
Days 201-350	\$80 per day, or 50% of current daily rate, whichever is smaller (prorated for part-time).

**Section 2. Definition - Sick Leave**

A leave of absence granted under these provisions shall be known as "Sick Leave" and shall be granted for the following reasons only:

- (a) Personal illness or physical incapacity to such an extent as to be unable to perform the duties of their position.

(b) Attendance upon members of the family within the household of the employee, whose illness requires the care of such employee, and/or to care for and bond with an employee's new child or children in accordance with the City's Parental Leave Policy, provided that not more than a total of twenty (20) working days with pay shall be granted to such employee for these purposes in any one (1) calendar year, not to exceed earned sick leave available. The City reserves the right to confirm the illness through the requirements of a physician's statement according to the provisions of this Article.

(c) Enforced quarantine when established and declared by the Department of Health or other competent authority for the period of such quarantine only, and not to exceed earned sick leave available.

### **Section 3. Notification by Employee**

An employee will not be permitted to use sick leave to cover an absence unless notification is given of the illness by the employee, their family, or their family physician, 30 minutes before the start of their shift.

### **Section 4. Physician's Statements**

If the absence is five days or more, or if there are repeated absences of shorter duration, a statement from the employee's physician or physician's assistant may be required stating the form and extent of the employee's illness or disability. Subsequent certificates may be requested at the discretion of the Department Head. If the employee fails to provide a copy of the physician's statement when requested, he/she shall not receive pay for the days in question, whether or not the employee has accumulated sick leave to their credit; provided, the request shall be made before or during the employee's absence or before the employee returns to work.

Employees who are required to provide a note for their own illness will be required to provide similar physician's statement indicating that the employee's attendance was required to provide care for the family member.

Form of illness shall be understood as diagnosis or a description of the symptoms, restrictions or limitations preventing the employee from working, e.g. "flu, stomach distress, inability to maintain alertness necessary to operate equipment." Access to such notes will be limited to those with a need to know and will be maintained in a separate file accessible only to those with a need to know.

Prior to being required to submit physician's statements for illness or disability of four days or less, employees shall be advised that, because of repeated absences, the department head is contemplating imposing the requirement.

**ARTICLE 30  
VACATION LEAVE**

**Section 1. Eligibility**

Permanent employees whose standard hours are 20 or more hours per week are eligible to receive vacation.

Vacation time will be prorated for employees who work less than 40 hours per week or less than 52 weeks per year. Ten-month employees who work for the City in some capacity during July and August (even in a non-benefited position) will accrue vacation for these summer months.

**Section 2. Accrual/Allowances**

Newly-hired, 12-month employees on a 40-hour per week schedule will receive 60 hours (7.5 days) of vacation at the end of 133 calendar days. Thereafter, these employees will accrue 10 hours (1.25 days) of vacation per month until the subsequent January 1, when they will be credited with 120 hours (15 days) of vacation.

Twelve-month, 40-hour per week employees will be entitled to receive 120 hours of vacation per year until they complete six (6) years of service, at which time they will be entitled to additional vacation according to the above chart.

Newly-hired employees who work less than 12 months per year or less than 40 hours per week will be subject to the same accrual schedule as described above, except that the number of hours they accrue will be prorated. Note: The five month (5) month period shall be a "rolling" five month period. An employee who completes any five (5) month employment period without an absence shall be entitled to an administrative day for that period.

An administrative day must be taken within five months following the date upon which the administrative day was earned. In the alternative, employees may buy the administrative day back at a daily rate of pay, under a procedure similar in form and timetable to the optional December vacation buyback.

The negotiations listed above shall be commenced forthwith and shall be scheduled with a view toward reaching agreement within thirty days of notice to the parties of the court decision. Failing to reach agreement within that time limit, each party may initiate arbitration by filing a demand for Arbitration with the American Arbitration Association. The issue submitted shall be what substitute economic benefit or reduction in economic benefit will effectively restore the equivalent economic costs and benefits originally negotiated and agreed to by the parties (including any retroactive impact).

The Arbitration shall be conducted under the expedited rules of arbitration.

Except as provided herein, should any section of this Agreement be rendered null and void by a court of competent jurisdiction, the remainder of the Agreement shall remain in effect.
