

River Street Reconstruction Working Group Meeting #12

The City invites you to attend the meeting of the working group for the River Street Reconstruction project. The River Street Reconstruction Project will upgrade the underground infrastructure and has developed a new design for River Street, the bus terminal area at River and Magazine Streets near Central Square, and Carl Barron Plaza. Visit <http://www.cambridgema.gov/riverstreet> for updates.

As we are ending the design phase of this project, this may be the last Working Group meeting. At this meeting we will review an updated and refined Carl Barron Plaza design. The meeting will be from 5:30 PM to 7:00 PM.

River Street Reconstruction Working Group Meeting #12 Wednesday, November 17, 2021 5:30 PM – 7:00 PM

To register for this meeting with remote participation on Zoom webinar:
