**The ECNCD Study Committee continues meeting virtually via Zoom, usually with 15-30 members of the public in attendance. The meetings are also broadcast on Cityview-22. On July 21 the committee confirmed the goal and secondary goal statements and jurisdiction. The consensus of the study committee was that National Register properties should be treated differently than non-National Register properties. Staff brought up the idea for Cambridge Street to be reviewed differently, either by National Register status or by geographic location, but the committee felt that uniform guidelines and jurisdiction for the street would make the most sense. Presentation slides and a recording of the meeting can be found on our website under the 'Districts & Historic Properties' and East Cambridge NCD**

### Study tabs.

#### VII. Publications

1. *Building Old Cambridge*. Four thousand copies were printed; as of January 31, 2020, 2,019 had left the warehouse and net sales totaled \$53,765.

A recent Council Order requested a report on the feasibility of reinstating an oral history program that would focus on the Black community (not feasible with present funding and staffing).

All fact-checked, edited, and proofread by Red Pencil Rawlins. Many more to come.
- Trailblazer bookmarks, series II: complete: Olive Benson (beauty entrepreneur); Johnny Hodges (saxophonist *extraordinaire*); Dr. June Jackson (public health advisor); and Barbara Ward Armstrong (musician, dancer, singer; creator of life-sized "soft sculptures" of Africans and Black Americans). In process: Kittie Knox (competitive bicyclist); Gus Solomons Jr (dancer and choreographer); Cheryl Townsend Gilkes (Colby College professor of African American studies; assistant pastor, Union Baptist Church; special focus on Black women in the church); and Calvin Burnett (eclectic artist and arts educator). To be published in September 2021.
- New Black History Project website: Numerous images from CHC, including Union Baptist (before siding!), St Bartholomew's, St Paul AME, City Hall, Public Library. Researching images for overview of Black history in Cambridge.

- 10. Survey of Architectural History in Cambridge (Eric Hill). MHC Form B survey forms:**

31 Madison Street (1927), for inclusion in Gray Gardens NR District.

11. Historic American Landscape Survey (HALS). Allison Crosbie's submission on the former Harvard Botanic Garden at Linnaean and Garden streets won first prize in this year's national competition (following her second prize last year for her Larchwood streetscape report). **She has recently submitted another essay on Lewisville**
12. The 19<sup>th</sup> Amendment commemoration project. The winning project proposal was "The Future to be Rewritten" by Azra Aksamija: <https://www.cambridgema.gov/Departments/citymanagersoffice/100years/nineteenthamentcentennialcommittee/azraaksamija>, but the designer selection was cancelled due to concerns about minority representation. This project will require a Certificate of Appropriateness for its proposed location on the Common. No developments.
13. Cambridge Advisory Committee on City Art, Memorials and Markers (CACCAMM) (CS and SB). This ten-member committee appointed by the City Manager met on January 13 to begin a review of public monuments, memorials, and markers throughout Cambridge "to determine whether any of these commemorate those who were linked to the slave trade or engaged in other similarly shameful acts, (and) to determine which individuals - particularly women, people of color, and those from other historically marginalized communities - should be newly recognized." CHC staff created a web page for the committee and are managing meetings as well as conducting an inventory of existing memorials and markers. The final meeting in June discussed enhancement or removal of certain markers and/or monuments, using George Washington as a case study.
14. *Seeing the World* (KR). Working with two young women from the Cambridge Equity Collaborative who are planning a live self-guided scavenger hunt to approximately 25 sites in East Cambridge in May 2021, for Kennedy-Longfellow School families. We will choose 10 to 12 sites and devise a variety of tasks that will teach the families to see their world in new ways (geography, map-reading, architecture, then and now photos). Also involved are the school, East Cambridge Business Association, and other young people. Ongoing.
15. **Mayor's Summer Youth Program (KR). The Mayor's Youth program assigned two students, ages 16 and 17, to the Commission. Since ca. 2000 the city has installed over 500 dedication markers honoring Cantabrigians. The City Council office maintains a spreadsheet of names, sign locations, and dates erected but does not include biographical information. Alex and Pete's summer project is to research, write, and upload brief bios of the honorees and provide links to more information such newspaper articles. Based on the installation date, they search the City Council's final resolutions, obituaries in the *Cambridge Chronicle*, and the commission's biographical files. We are still discussing the best way or ways to share the information with the public, from a Storymap to the city's open data portal. About two dozen bios will be posted this summer; future mayor's youth will continue the work.**

#### XIV. Coming Events.

1. None scheduled.

#### XV. Budgets, Personnel, and Facilities.

1. The proposed FY2022 CHC budget at \$831,680 is essentially level-funded from last year except for a 3.0% cost-of-living increase. Our request to make Meta Partenheimer's position as Digital Project Archivist permanent has been postponed again until FY2023; she is currently funded by a two-year CPA appropriation that supports the C-DASH project that we will seek to have renewed. The City Council's Budget Committee approved the budget on May 18<sup>th</sup> without comment.
2. Brittany Fox, our most recent Simmons archives intern, who worked with extraordinary dedication throughout the pandemic and who left on April 30 to take a position at Abt Associates, has returned for two hours a week.
