

Join us for a **COMMUNITY MEETING** about our exciting new project

28-30 Wendell Street *New Construction of Affordable Housing on Wendell St*

Project Website:

www.30wendellstreet.com

The Project will be developed under the Affordable Housing Overlay (AHO) Zoning Ordinance.

Our proposal includes:

- Construction of a **multi-family building**
- **New affordable apartments** in the Baldwin neighborhood
- **Green, energy-efficient, and climate resilient** building design

Developer: HRI
Architect: ICON Architecture

Join HRI for a community meeting to discuss the combined **28-30 Wendell site** in the Baldwin neighborhood.

HRI plans to build new, high-quality, affordable housing on these properties. We will present initial designs to the community and look forward to discussing the project together. Members of the public are encouraged to attend and participate.
