COMMUNITY MEETING
about our exciting new project

30 Wendell Street

New Construction on Tennis Court

Join HRI for our first community meeting to discuss the **30 Wendell site in the Baldwin Neighborhood**. HRI plans to **build new, high-quality, affordable housing** on the current tennis court. We'll introduce the team, the site, and the project process. Members of the public are encouraged to attend and participate.

The Project will be developed under the Affordable Housing Overlay (AHO) Zoning Ordinance. Our proposal includes:

- **Construction of a multi-family building on the existing tennis court**
- **New affordable apartments in the Baldwin Neighborhood**
- **A focus on green, energy-efficient, and climate resilient building design**
