

City of Cambridge | Traffic, Parking, + Transportation

Garden Street Safety Improvement Project

This fall, the City of Cambridge will make safety improvements to Garden Street between Huron Avenue and Mason Street. We will install physically separated bicycle lanes and improve existing crosswalks. Community feedback supports a design that makes Garden Street a one-way (traveling toward Harvard Square) between Huron Avenue and Concord Avenue.

Upcoming Feedback Opportunities

Fourth Community Meeting

Tuesday, September 20, 2022

6:00 p.m. - 8:00 p.m. via Zoom

Community Open House

Thursday, September 22, 2022

5:00 p.m. - 7:00 p.m. at

Garden Street/Concord Avenue intersection
