

Policy for Use of the Lactation Suite (Mamava)

The Cambridge Public Library is pleased to offer the use of a lactation suite on the mezzanine of the Main Library. It is available for those who are looking for privacy to breastfeed* or pump on a first come, first use basis. The suite is handicap accessible with grab bars; it can also accommodate most strollers. There are two benches to accommodate a parent with other children or adults for a maximum of four individuals plus an infant.

Staff at the Q&A Desk on the ground floor will be happy to assist you. All refuse and materials must be carried out.

*Please note: women are welcome to breastfeed anywhere in the Library; the Suite is an additional option.
