2. Cambridge Public Library. The CPA-funded Cambridge Chronicle scanning project is online; see <http://cambridge.dlconsulting.com/cgi-bin/cambridge?a=p&p=home&e>. The post-1923 Chronicle is password-protected because of copyright issues.
3. Miscellaneous research projects: Darby Vassall and family (Sarah). The house at 27 Grant Street may have been built by Darby Vassall at 32 Linnaean Street about 1832 and moved in 1865. Further tax research confirms it was moved in 1865. Continue to research Vassall and his property on Beacon Hill. Met at Christ Church and visited tomb

6. Historic Site Markers.

- Sennott Park; \$20,000 CPA funds appropriated.
- CPA-funded project to replace deteriorated African American markers on hold for lack of staff
- FY23 Participatory Budgeting project awarded \$180,000 for Native American and African American markers (see below)
- Harvard University has requested an evaluation of the Louis and Elizabeth Agassiz marker on Quincy Street
- Maria Baldwin/Suffragist marker received from Pomeroy Foundation installed in October.
- Winthrop Park marker replacement. With financial support from the Mayor's Office, we have retained Indigenous historian Elizabeth Solomon to consult on this project. No developments.
- City Council appropriated \$100,000 to hire a staff person to oversee marker projects. **The opening has been readvertised.**
- Indigenous street signs project (Sarah Burks). Prototypes have been prepared and locations chosen; interviews with AP, WBZ radio, Boston Globe, boston.com, and The Beacon (Mass. Municipal Association)

6. City portrait collection. **At Mayor Simmons' request most of the mayoral portraits on the second floor have been placed in storage.**

8. Cambridge Women's Heritage Project (Sarah Burks). Committee meetings have re-started.

9. Cambridge Black History Project (aka Black Trailblazers, formerly African American Heritage Alliance; Leslie Brunetta, Melvin Downes, Chandra Harrington, Diahanne Lucas, Frank Lucas, Paula Paris, Kit Rawlins, Jim Spencer, Karen Ambush Thande)

- The project has received a \$20,000 grant from Mass Humanities for the oral history initiative; in addition to helping purchase recording equipment, the grant will fund public programs about the oral histories and an exhibit.
- Eight new bookmarks celebrating the lives and contributions of Black Cantabrigians are now available. Please contact Paula Paris, Chandra Harrington, or Kit Rawlins for a copy of this new series..
- Received \$3500 grant from Cambridge Community Foundation to help the project meet general operating expenses and for projects including the bookmarks, continuation of oral history gathering, and design an exhibit of historic photographs collected by Project members and oral history participants.
- At its meeting on Friday, March 22, the group agreed to create and publish a 2025 calendar illustrated with family and church photos. Important dates in both local and national Black history will be included, including birth or death dates of people on the original African American Trail, Bookmark honorees, and other Black Cantabrigians.

10. Survey of Architectural History in Cambridge (Eric Hill). Misc. MHC Form B survey forms:

11. Historic American Landscape Survey (HALS). Allison Crosbie won second place in a national competition for her submission of the Gray Gardens subdivision designed by the Olmsted

Brothers firm in 1924. Previous submissions include Lewisville in 2021, the former Harvard Botanic Garden at Linnaean and Garden streets in 2020, and Larchwood streetscape in 2019.

12. Cambridge Advisory Committee on City Art, Memorials and Markers (CACCAMM) (CS and SB). This committee reviewed public monuments, memorials, and markers throughout Cambridge “to determine whether any of these commemorate those who were linked to the slave trade or engaged in other similarly shameful acts, (and) to determine which individuals - particularly women, people of color, and those from other historically marginalized communities - should be newly recognized.” CHC staff created a web page for the committee, managed meetings, and conducted an inventory of existing memorials and markers. No developments.
13. Mayor’s Summer Youth Program (KR).
14. CambridgeSide Open Space Advisory Committee meeting (AC). Allison Crosbie is representing the CHC on this committee, which was formed to advise the developers of the CambridgeSide mall on improvements to the Lechmere Canal Park. Still working out the details of the improvements. Not landmark eligible IMO.
15. Harvard Square Advisory Committee (AC). Allison Crosbie continues as CHC representative. The committee continues to discuss potential pedestrianization of Harvard Square.
16. Winthrop Street wall restoration. Secured an appropriation \$200,000 in FY22 CPA funds to support up to 50% of restoration cost (estimated at \$435,000), conditioned on a) a permanent, engineered restoration and b) donation of a preservation restriction allowing public access. Property owner Raj Dhanda’s attorney, Charles LeRay, who stated at the November 3, 2022 Commission meeting that his client wished to resume negotiations, has not responded to outreach efforts. Mr. Dhanda acknowledged receiving the staff offer but did not wish to respond. On August 30, 2023 Mr. LeRay reached out to discuss the status of the grant, which in the absence of progress was scheduled to be considered for cancellation. **On May 29 the CPA Committee approved a staff recommendation to rescind the appropriation and transfer it to the historic preservation reserve account.**
17. Inner Belt history. Volunteer Steve Kaiser has spent several years researching and writing about the history of the Inner Belt in Cambridge. The products of his work are featured on the CHC website.
18. Cambridge Indigenous History Project. Mayor Siddiqui facilitated contacts with the local Indigenous community. **The project to rewrite the history plaques at Winthrop Park from an Indigenous perspective has resumed.** Meanwhile a participatory Budgeting project allocated funds to commemorate Indigenous place names and other features of the landscape. We are developing relationships and forming a committee of Indigenous residents, historians, advocates, and language experts to steer the Participatory Budgeting project forward and to draft text for a new historic marker. The group meets monthly and we hope it will become a long term advisory committee like the Cambridge Black History Project.
19. University Park history. In 2022 summer intern Henry Schmitt researched the history of the 1920s subdivision of University Park, a traditionally middle-class African American community in West Cambridge. We hope to create at least a blog post on this topic.
20. **Revolution 250 (Kit). Preparing timeline of Revolutionary War events. Cambridge, Somerville, and Charlestown representatives have discussed event-sharing. Charlestown is planning a big program for Bunker Hill Day, honoring ordinary soldiers; invited towns that sent men to fight to join in a parade or similar carrying a sign or banner with the soldier’s name. Somerville planning event for September 2024 to commemorate the Powder Alarm of 1775. Angry citizens marched into Cambridge and harassed Crown officials into ceding positions—undecided how Cambridge could participate given the short timeframe**
21. Municipal Records Management. After literally decades of advocacy, we have been authorized to

join with the City Clerk and IT to explore a centralized approach to records management for the city.

22. Participatory Budgeting. Preliminary citizen proposals for FY '24 include redrafting historical markers to be more inclusive; recognizing the contributions of local women; and installing a memorial celebrating saxophone player Johnny Hodges.
23. Coordination with other departments
 - Assisted Fire Dept. with photo documentation of a 1930s mural at CFD HQ.
 - Edited CDD Urban Design Guidelines which seek to “Preserve historically or architecturally significant buildings and complement the surrounding architectural context”.
 - Worked with CDD staff on Massachusetts Avenue urban design study
 - Worked with CDD staff to provide materials on history of zoning in Cambridge

XIV. Coming Events.

1. None scheduled.

XV. Budgets, Personnel, and Facilities.

1. The City Council appropriated \$100,000 in CPA funds for a Preservation Projects Manager who will implement the African American Trail marker renewal and several other already-funded projects. Interviews are underway and I hope to announce a hiring decision shortly.
2. **Completed the commission’s level-funded FY25 annual budget (Kit). Materials include FY24 accomplishments, goals for FY25, and a compensatory budget worksheet that details staff time spent working on initiatives for affordable housing, grant distribution, and contributions to advocacy projects.**
