APPLICATION FOR CERTIFICATE

Section I:

1. The undersigned hereby applies to the Mid Cambridge Neighborhood Conservation District Commission for a Certificate of (check type of certificate): Appropriateness, Nonapplicability, or Hardship, in accordance with Ch. 2.78 of the Municipal Code and the order establishing the district.
2. Address of property: 393 Broadway, Apt. 18, Cambridge MA 02139, Cambridge, Massachusetts
3. Describe the proposed alteration(s), construction, or demolition in the space provided below:
(An additional page can be attached, if necessary).

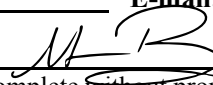

Replacement of all ten windows at 393 Broadway, Apt 18, Cambridge, MA 02139
All windows are rotten, the wood is decaying and in some areas falling apart (see images on attached document)

We would like to replace all ten windows - itemized in the window survey document.

We do not plan to replace the interior or exterior frames sill and casing as they are in good condition.
The only exception is the bathroom where there is rot in the base sill.

Fisher Windows is our contractor and they will provide the windows and complete the installation.
They have ordered Harvey Classic double hung windows. They have provided a cut sheet to Allison.

We will replace the ten windows with exactly same segments as exist today (4/4 or 6/6). See attached sheet for reference.

Name of Property Owner of Record: <u>Maureen Bunney, Chris Bunney, Blake Bunney (occupant)</u>	
Mailing Address: <u>393 Broadway, Apt. 18, Cambridge, MA 02139</u>

Type of Certificate Issued: _____	Date Issued: _____		

Section II:

Is property listed on the National Register of Historic Places? No Publicly owned? No
Current Zoning District: _____ Current Use: Owner occupied

Section III:

Will this project require: variance No special permit _____

If yes, nature of zoning relief sought: setbacks _____ FAR _____ use _____
height _____ parking _____ other (explain) _____

Section IV (Complete any portions that apply to proposed scope of work):

New Construction or Additions:

_____ floor area of existing structures on the lot
_____ amount of floor area (gross square feet) of proposed construction
_____ percentage increase in total floor area after construction
_____ total area of lot in square feet
_____ percentage of total lot area covered after construction

Demolition:

_____ amount of floor area (gross square feet) of proposed demolition
_____ floor area of existing structure
_____ percentage decrease in total floor area after demolition

Alterations:

Does the proposed work include (check all that apply):

- _____ enclosure or removal of decorative elements (including cornice, fascia, soffit, bay, porch, hood, cornerboard, window sash, or window or door casing);
- _____ increase or reduction of window or door size;
- _____ relocation of windows or doors;
- _____ change in slope, pitch, or configuration of roof;
- _____ removal of original or historic roofing material.

Administration of the Mid Cambridge NCD

The administration of the Mid Cambridge Neighborhood Conservation District Commission is guided by the Article III, Section 2.78 of the Code of the City of Cambridge and by the order establishing the district. Before a building permit can be issued for the proposed work, the Commission must issue one of three types of certificates. A **Certificate of Appropriateness** is issued when the Commission determines that a project is not incongruous with the conservation of the district. A **Certificate of Hardship** is issued when refusal to issue a Certificate of Appropriateness would cause a substantial hardship, financial or otherwise, to the applicant, and when the project can be approved without substantial detriment to the public welfare or substantial derogation of the purpose of the order. A **Certificate of Non-Applicability** is issued for projects that are not subject to review. The last certificate is issued by the staff of the Commission without the Commission's full review.

In making its determinations, the Commission considers the impact of the proposal on the District as a whole and the potential adverse effects of the proposal on the surroundings. The objectives of the District are to 1) avoid excessive infill, 2) encourage new construction that complements existing buildings, 3) encourage the preservation of neighborhood buildings, 4) protect National Register properties, and 5) enhance the economic vitality of the neighborhood.

Instructions for completing this application

This application must be filed at the offices of the Cambridge Historical Commission, under whose auspices the Mid Cambridge Neighborhood Conservation District Commission is staffed, **before** work begins. It must be accompanied by the required materials indicated on this application form and should include any other materials that may assist the Commission in making its decision. Filing deadlines may be obtained by calling the Cambridge Historical Commission office, 617 349 4683 (TTY 617 349 6112). **The Commission welcomes advance inquiries for interpretation of the order; please contact Allison Crosbie (617-349-4686 or acrosbie@cambridgema.gov) at the Cambridge Historical Commission if you have any questions regarding this process.**

On receipt of a completed application, the Commission staff will schedule a public hearing for the next available regularly scheduled meeting of the Commission and send out the necessary public notifications of the hearing.

On receipt of a completed application, the Commission will schedule consideration of the application at a public hearing for the next available regularly scheduled meeting of the Commission. Owners are **strongly urged** to appear before the Commission in person. Though not required, professional consultants such as architects, attorneys, contractors, engineers, or landscape architects, may attend at the owner's invitation.

Applicants should be aware that exterior construction plans and elevations presented to the Inspectional Services Department for issuance of a building permit must conform to exterior construction plans and elevations presented to the Commission for its approval. **Any modifications to plans and elevations made subsequent to the Commission's approval are subject to additional review.** Failure to ensure conformance between Commission-approved plans and elevations and building permit plans and elevations may result in delays and additional appearances before the Commission.

Application Requirements for Binding Review

(Applications will be subject to binding review if they include any of the following: construction involving additions of more than 750 sf of floor area, increase in lot coverage by more than 33%, enlargement of existing floor area by more than 33%, demolition of more than 33% of floor area, any alteration or construction of National Register listed properties, publicly owned structures, or structures containing a non-conforming use)

Plans not larger than 11" x 17" are preferred. The applicant should provide a total of 10 copies of the application and all supporting materials.

The following are required for ALL applications subject to binding review:

1. Completed application form with a **written description** of the work to be done, including any repair or replacement of features as part of related rehabilitation.
2. Assessor's plan of the area showing currently existing structures and the footprint of all proposed construction.
3. Detailed, dimensioned elevations and plans showing all proposed construction, alteration, or demolition.
4. Schedule of materials (may be described on plans and elevations).
5. If windows are proposed to be altered, provided detailed information about existing windows and renderings of the proposed conditions and product details.
6. Any application also needing zoning relief (variance or special permit) must include a copy of the Dimensional Form from Board of Zoning Appeal application.

In addition, the following are also required for all applications for new structures:

7. Plot plan of existing site, including a dimensioned footprint of all existing buildings, parking areas, and driveways.
8. Sun/shadow study (winter and summer solstices, AM and PM).
9. Streetscape elevation at 1/8th scale showing relative heights and distances of the surrounding buildings in comparison with any proposed new construction.

Application Requirements for Non-Binding (Advisory) Review

(Applications will be subject to non-binding review if they include any of the following: new construction of more than 150 and less than 750 sf of floor area, alterations that require a special permit or variance, alteration that removes, encloses, relocates, increases or diminishes aspects of the exterior architectural fabric of the structure)

Plans not larger than 11" x 17" are preferred. The applicant should provide a total of 10 copies of the application and all supporting materials.

1. Completed application form with a **written description** of the work to be done, including any repair or replacement of features as part of related rehabilitation.
2. Assessor's plan of the area showing currently existing structures and the footprint of all proposed construction.
3. Detailed, dimensioned elevations and plans showing all proposed construction, alteration, or demolition.
4. Any application also needing zoning relief (variance or special permit) must include a copy of the Dimensional Form from Board of Zoning Appeal application.

From: Maureen Bunney
(one of the owners of 393 Broadway, Apt. 18, Cambridge, MA)

Allison A. Crosbie, Preservation Administrator
Cambridge Historical Commission
831 Mass Ave., 2nd Fl.
Cambridge, MA 02139

June 10, 2024

Dear Allison,

I am submitting this letter as a notice of our application for appropriateness of our window replacement at **393 Broadway, Apt. 18, Cambridge MA.**

Details of the planned replacement are provided in our application and in the attached 11x17 sheet with the floor plan and photos of the windows. But the summary is that we are replacing all windows throughout the apartment. 10 total windows to replace. 4 of which are 4 over 4 and 6 of which are 6 over 6. We do not know if they are the original to the building. The materials we plan to use were provided to your office, from our contractor Fisher Windows, in the form of a cut sheet. The condition of the windows are detailed in the attached window survey document.

We will print ten copies of the application, the window survey and our 11x17 document including photos and details of the windows. We will drop the copies off at your offices at (Cambridge Historical Commission 831 Mass Ave., 2nd Fl. by the submission deadline of **Jun 11, 2024** .

We plan to attend the **Jul 1, 2024** hearing via zoom (if our application is accepted).

Thank you for all of your help during this application process.

Sincerely,
Maureen Bunney
415-269-2499

Window Survey Form

Have?

Basic Requirements

- Photographs or drawings of each elevation of the structure, with all window openings on each elevation numbered
- Photographs of each numbered window opening proposed for replacement
- Condition evaluation of each windows (see reverse)
- Proposed window design (sash, casement, fixed, etc.), pattern (1-over-1, 2-over-1, etc.), materials (wood, vinyl, clad, etc.), etc. *Specify if different for certain openings.*
- Proposed product information that includes company's depiction or photograph of actual proposed product
 We are replacing with the same size/segments as the original windows.
- Other The cut sheet with all details of the new windows was provided to Allison A. Crosbie

IF REPAIRING WINDOWS, YOU DO NOT NEED TO COMPLETE THIS FORM.

- Using photographs or elevation drawings, assign a number to **ALL WINDOW OPENINGS** on the structure. If using photos, they need to show the **ENTIRE** elevation. Windows in pairs or groupings should be assigned *separate* numbers. Windows in dormers and small fixed windows should also be included, but not door sidelights or transoms associated with a door.
- Describe condition of window under the same number on the back of this sheet. Describe the specific issues and conditions of **EACH** window in detail, referring to the specific parts (see diagram below). Additional close-up photographs showing evidence of the window condition **MUST** be provided to better document problem areas.

The Commission's evaluation and recommendation is based on deterioration/damage to the window unit, and associated trim.

PLEASE NOTE: Broken glass, windows with broken sash cords, windows that do not open, energy efficiency, draftiness, noise intrusion, and windows that are painted or screwed shut are *NOT* grounds for approving replacement. These can all be addressed through repair and/or the addition of a storm window.

Total number of window openings on the structure	10
Number of historic windows on the structure	Don't believe this is a historic structure.
Number of existing replacement/non-historic windows	10
Number of windows completely missing	0
Totally number of windows proposed for replacement	10
