Greater Cambridge Energy Program

EVERSOURCE

The **Greater Cambridge Energy Program** is a first-of-its-kind transmission system initiative that facilitates access to clean energy resources so that customers will continue to have reliable power to meet their energy needs.

Please join us on **Tuesday, October 22, 2024**, at our **Pre-Construction Open House** to learn about **Eversource's Greater Cambridge Energy Program**. Construction is expected to kick-off in early-2025 in Cambridge and will include a new underground substation as well as new underground electric transmission and distribution lines.

Project team members will be available in person to provide information and address your questions.

SCAN ME FOR PROJECT UPDATES

Join us in person for the **Greater Cambridge Energy Program Pre-Construction Open House**

TUESDAY, OCTOBER 22, 2024

DROP-IN HOURS 5:30 – 7:30 PM

Pioneer Room

355 Main Street | Cambridge, MA

The Pioneer Room is accessible via the Kendall Public Lobby (between 355 and 325 Main Street) and via the public alley called Pioneer Way.

For more information, please email the Project team at ProjectInfoMA@eversource.com or call **833-836-0302**.

Note: All are welcome to attend. Pre-Construction Open Houses will be scheduled in Somerville and Allston-Brighton in 2025 prior to work beginning in those areas.
