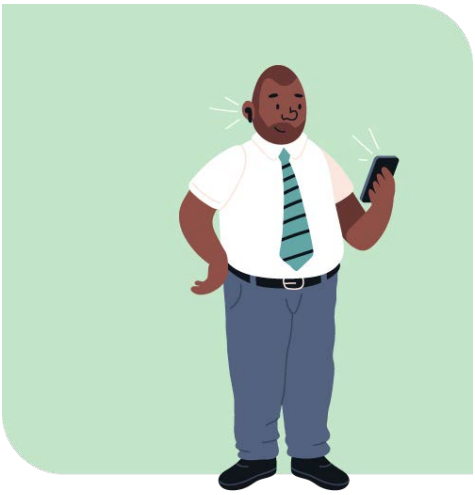
HOUSED IN CAMBRIDGE

The Role of Technology in Fair Housing: Opportunities and Challenges

Webinar



Join us on Zoom

Tuesday, October 17th
2:30pm – 4:00pm

Learn about the challenges that community members face with tech-driven barriers. Learn how technology, such as algorithms and data-driven decision-making, can both facilitate fair housing practices and fuel discrimination. Explore the legal protections for those facing discrimination in Cambridge.

Join the Cambridge Human Rights Commission and the Information Technology (IT) Department for an information session. Presenters will provide insights on the opportunities and challenges that technology brings.
