Agenda
Cambridge COVID-19 Expert Advisory Panel
2 pm, Tuesday June 9th, 2020

Join with Google Meet

Join by phone

1. Discussion on prospects for re-opening parks and play areas (basketball and tennis courts, baseball and soccer fields). State guidance web link and document:

<https://www.mass.gov/info-details/massachusetts-state-parks-covid-19-update>

<https://www.mass.gov/doc/parks-open-space-and-outdoor-education-guidance-phase-i/download>

2. Will senior centers reopen? If yes, what safety measure are in place? If not, what services need to be supplied to this highly vulnerable population?

3. Progress on household testing capability for virus+ individuals?

4. Information about schools? Cursory plan presented for safe reopening. Rumor that there will be a choice between remote learning and in-school.

- 5.

Prep. For Lander
