LETTER FROM THE DIRECTOR

Dear Friends,

With spring in Cambridge, we welcome the vibrant sights and sounds of the 9th Annual **Cambridge Arts Open Studios, May 13-14, 12Noon - 6pm**. Annually, Open Studios celebrates the creative work of visual and performing artists in the City and invites YOU to experience and purchase work in studios and Common Venues throughout Cambridge!

2017 marks the second year of Cambridge Arts: Creative Marketplace a program that builds on the success of Open Studios and provides technical, marketing, and audience development for Cambridge-based artists. **Creative Marketplace** consists of three programs designed to boost the visibility of the arts in Cambridge and drive local economic activity. An **Exhibitions Program** builds partnership between artists, business, and corporations providing high-profile exhibition opportunities for local artists in corporate and business environments in the City. The **Cambridge Arts Challenge** encourages a greater awareness of our vibrant arts sector and challenges Cambridge employees to actively support and patronize local arts organizations. **Community Supported Art**, modeled on the well-known community supported agriculture delivery system, provides professional development, economic support, and access to new audiences for local artists. You can learn more and even buy a share at the website in the ad below.

As we approach the 10th anniversary of **Cambridge Arts Open Studios**, it is more important than ever to acknowledge the artists' who boundless passion and energy made this citywide celebration possible. One of those early founding artist organizations, the North Cambridge All Arts Open Studios (NoCA) is celebrating its 20th year of art making in the Cambridge community!! Find NoCA artist by looking for this logo  next to artist names in this year's brochure!

In the words of NoCA artist Deborah Silverstein: "If you make art, bring it around. Come on, let's invite the whole town. Art makes a spark, art warms the heart. So, if you make art, bring it around."

I couldn't agree more!

Jason Weeks
Executive Director
Cambridge Arts Council

NAVIGATING CAMBRIDGE ARTS OPEN STUDIOS

Cambridge is big and there are so many studios, what do I do!?!?

Not to worry, we are here to help!

There are many different ways to make your way around this exciting event.

For starters you can use this brochure or download Yonward on your smartphone and build your plan of attack!

Which artists do you want to visit, what art medium would you like to see or learn more about, are there particular neighborhoods that you would like to explore?

Once you know what you might like to see, you can chart a route for your day... or skip all that and let the studios lead you as they may!

Mobile Guide:

Download Yonward from the App Store or visit yonward.com to explore Open Studios on your smartphone. Browse the Cambridge Arts Open Studios guides to view artist portfolios and use your GPS location to discover which studios are around you, right now! You can also view our interactive web based map of Open Studios by visiting www.cambridgeartscouncil.org/openstudios

By Bike:

The Cambridge Bicycle Committee has created cycling routes connecting open studio locations. Please visit www.cambridgeartscouncil.org/openstudios for printable mini bike tours.

By Foot:

Cambridge is a pedestrian friendly city. Grab a friend and get some exercise while exploring the amazing artists and charming neighborhoods Cambridge has to offer.

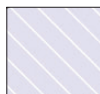

By Public Transportation:

As always, MBTA subway stations are clearly marked on our map for your reference. Please contact the MBTA for details on bus stops and routes. www.mbta.com

By Car:

If none of these options work out for you or if you are coming from out of town, we have arranged for a few open parking zones around the city. Residential parking restrictions will be lifted, however, please note that meters are still in effect in these areas on Saturday.

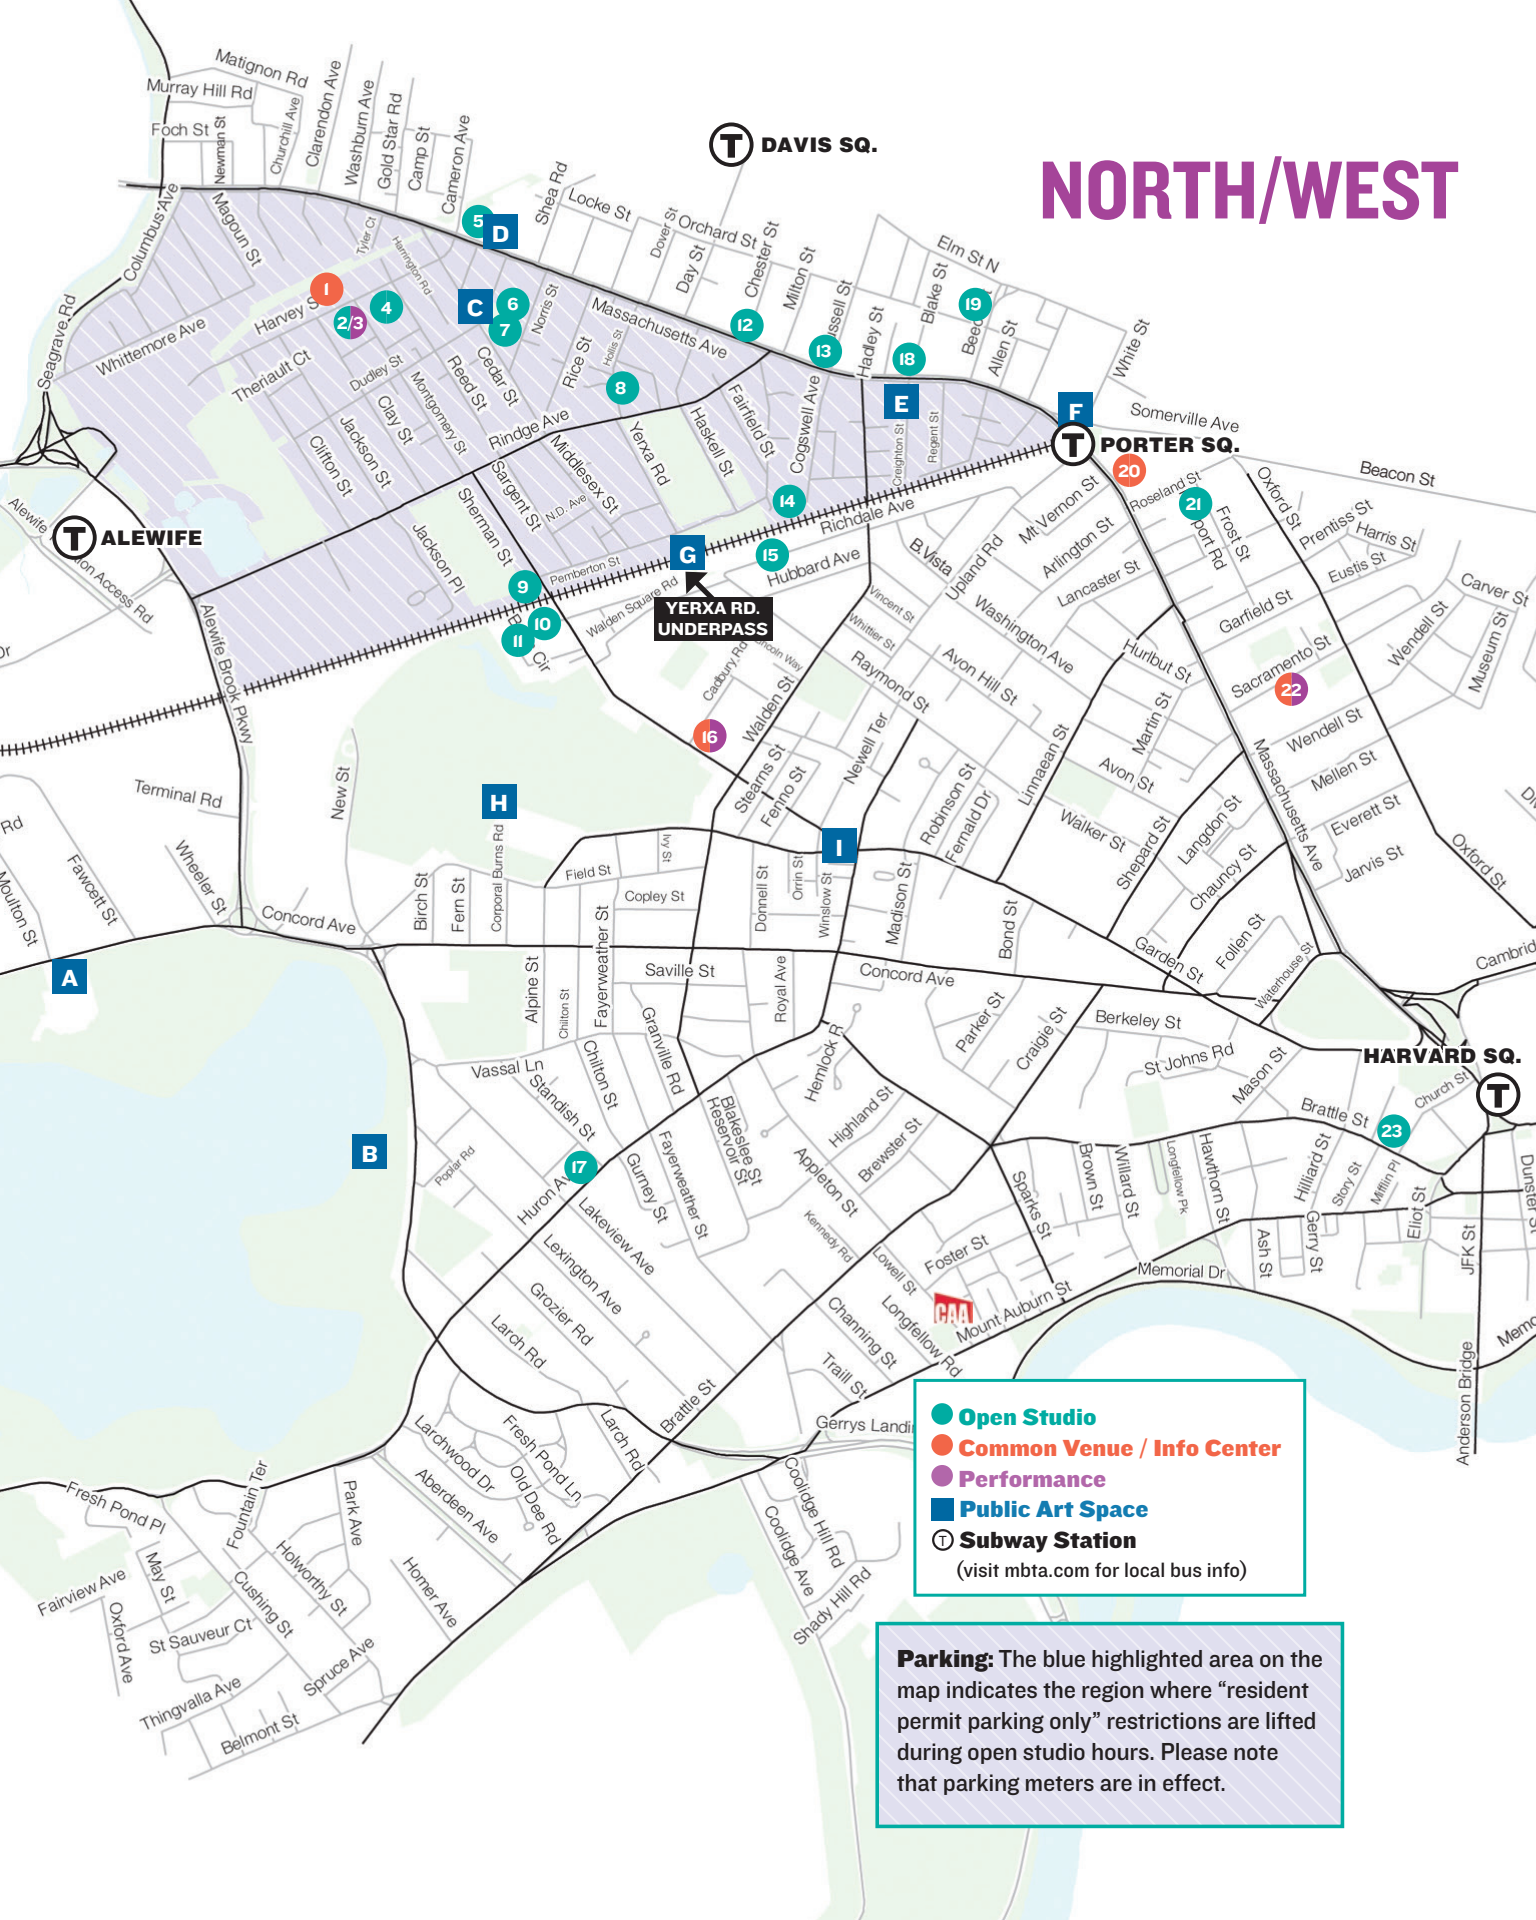

Look for these areas on the maps. Maps can be found on page 6, 14, and 22/23.

Cambridge Arts does not discriminate on the basis of disability. The City of Cambridge will provide auxiliary aids and services, written materials in alternate formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. All Cambridge Arts organized common venues are fully accessible.
